Fun Run Festivities Take Place September 16th!

The Candle Lake Fun Run is back for a 2nd year with the scenic Candle Lake Golf Resort as our location. The Run is sold out with 550 participants from all over Canada coming out to participate. Event proceeds will be donated to programs and projects in Saskatchewan that focus on mental health and community enhancement within Candle Lake. Last year over \$50,000 was donated! Thank you to all of the participants and numerous sponsors.

Although the Run is sold out, Candle Lake and area residents are welcome to join in the festivities September 16 from 9:30 a.m. to 3:00 p.m., including our Cargill Kidz Zone with inflatables, food trucks and a Rockin' with Rock Ridge Homes beverage area with live music.

We're also looking for event volunteers. If you are interested, please email candlelakefunrun@gmail.com and join our Facebook page: Candle Lake Fun Run.

A Virtus Group Golf Night will also take place September 15th. Contact the Candle Lake Golf course to book your tee time. We look forward to seeing you there!

Candle Lake Chamber of Commerce

Meeting Notice: Tuesday, September 5 at 7:00 p.m.

This meeting is open to current members and businesses wishing to join the Chamber. Please join us to see what the Chamber can do for you and your business.

News From **Communities In Bloom**

Thank you to the community for donating your bottles and cans for our fund-raising projects. A reminder that only bottles and cans are to be dropped in the blue recycling barrels, and to use the garbage containers for waste.

The floral displays and baskets have looked beautiful all summer long. Thank you to our faithful weeders, waterers and the village workers who contribute to our enjoyment of the pots, baskets, beds and green spaces.

August Aschim Wordle Month

The trails are in great shape, thanks to our volunteers and maintenance personnel. August saw heavier traffic at Aschim than in July, perhaps due to the Wordle Game that is in progress – so far entries are averaging more than one per day. Total prize money is \$200.

Last month we reported a third guest book has been placed at the Aschim House. Further analysis of the second book (September 2020 to July 5, 2023) showed approximately 1,200 entries from single persons, families and even groups such as a tree planting group. The entries came from five different countries from North America and several from places in the United States and across Canada. The comments are most rewarding with many expressing thanks for the care we take of such a "historical gem", the work done on the house and yard, as well as the care of the boardwalks.

Keep visiting the Aschim Homestead - we will see you on the trails!

Candle Lake Public Library: August Events

Afterschool Program Starts September 13 - All School Aged Kids Welcome!

Thank you to the Community Initiatives Fund for providing the library with a grant that will be used to fund an afterschool program. The program will begin September 13 and run each Wednesday for the entire school year. Program updates will be posted in the Wave and on the Candle Lake Library Facebook page. Parents will be required to give your bus driver permission to drop your child/children off at the library afterschool. Pick up time will be 5:00 p.m. unless otherwise noted. We will be providing a healthy snack for the kids, so please inform us if your child has any allergies.

As we need to purchase supplies for the programs, please pre-register your child at least one week in advance by calling Heather or Mary during library hours at (306) 960-9775, or by text anytime. Once the program is up and running, attendance plans for the following week can be discussed during pick up.

Wednesday, September 13 from 3:45 to 5 pm - Scavenger Hunt! Join us on a hunt of the grounds around the library to learn about Candle Lake history and notable places nearby.

Wednesday, September 20 from 3:45 to 5 pm - Reading of From This Window - Learn about the residential school experience through the eyes of a young Metis girl. Afterwards, we will work together to decorate patchwork sections, which will be used to create a quilt in remembrance of the legacy of residential schools.

Wednesday, September 27 from 3:45 to 5 pm - Orange Shirt Day - We will have orange shirts for the kids to draw pictures and put personal messages on. These will be for the kids to take home and keep, and to wear to school on Orange Shirt Day to honour and remember the Indigenous children who were sent away to residential schools.

Thursday, September 28 from 10:30 am to 12 pm - Prince Albert Regional KidsFirst: - Chantelle will be visiting our library with an early learning program for ages 0 to 6 years. Chantelle always brings lots of energy and super fun activities such as singing, dancing, crafts and storytime. Please join us with you little ones!

Keep up to date with Library events by following us on Facebook at Candle Lake Library.

News from the **Resort Village**

Farewell and Thank You Summer Students!

The Resort Village was fortunate to have amazing summer students part of our team this year! These students contributed to regular waste management, vegetation control, watering flowers, trail maintenance, equipment and facility repairs, event preparations, summer programs, and a variety of other important tasks and assignments.

The students brought a unique perspective to challenges and fresh ideas to improve events and activities. These summer positions provide an opportunity for students to develop new skills and acquire new knowledge which helps prepare students for their future endeavours.

Thank-you to all our summer students. We wish you all good luck as you return to school this fall!

Premier's Visit Provides Opportunity to Share Resort Village Successes and Future Opportunities

As part of the government's campaign to promote its candidates in the upcoming election in 2024, Saskatchewan Premier Scott Moe and Saskatchewan Rivers candidate Eric Schmalz visited the Resort Village Friday, August 18 to discuss improving valued services in the area.

Mayor Terry Kostyna led the tour, which, thanks to new provincial rules spearheaded by the Resort Village, took place by golf cart through the Resort Village. The tour included stops at the Health Centre and the Library. Throughout the tour, the Premier had a chance to stop and hear from local emergency service providers and local businesses. Mayor Kostyna and CAO Brent Lutz and others provided information and insight into our rapidly growing community including the large seniors demographic who require more affordable housing to be able to remain in the community as they age, the importance of recreation and environmental protection to residents, and the need to ensure health and emergency services, including physician and lab services, are adequate for the size of the area. They also discussed challenges with Village infrastructure including the lagoon and landfill, both of which are being challenged by growth and increased demand.

The group agreed that strengthening partnerships between the Resort Village, the province and the private sector would be a good first step at ensuring the Resort Village is properly positioned to accept current and future population increases.

The Resort Village will keep residents up to date on any specific opportunities that become available to the area thanks to this visit.

Candle Lake Emergency Services training on the use of vehicle extrication tools

Sheri Carson & Debbie Hunter, Fire Department Volunteers

Emergency Services Needs Your Help

Residents are reminded to ensure property addresses/numbers are clearly visible on homes and cabins. Addresses and property numbers that are easy to see from a distance helps our Emergency Responders find locations faster when someone is in need of urgent care.

Volunteers Needed

The Department of Emergency Services is in need of emergency responders. If you are interested in helping to provide fire suppression services and emergency medical care to people living in, or visiting the Candle Lake area, please let us know by contacting Jim Arnold, Fire Chief/Emergency Services Manager by email at fire@candlelake.ca or calling the Resort Village Office at 306-929-2236.

SGI Grant Supports Emergency Service Providers

The Service recently received a \$70,000.00 grant from SGI to purchase new vehicle extrication tools that will enhance the extrication of victims of serious vehicular accidents in the Candle Lake area. The new tools include cutters, spreaders, and lift bags.
