

#05-26 Supply New or Used 20yd3 rear load refuse collection vehicle -- FLEET-05-26-Refuse

Synopsis

The Resort Village of Candle Lake (RVCL) is seeking proposals for a new or used 20yd3 rear-load refuse collection unit. RVCL currently collects residential waste by hand and are seeking proposals to purchase a unit to address the growing needs of the community.

Additional Information

The resort Village of Candle Lake Invite applicable vendors to:

Propose a refuse collection unit for that can be used for collection in the growing Resort Village of Candle Lake (RVCL). This unit may be used or new on a single axle chassis. Candle lake consists of narrow streets and many cul-de-sacs so turning radius of the proposed unit must be considered. Is open and interested in any solutions vendors may have.

The vendor will be responsible to:

- Provide necessary information including equipment spec sheet
- Provide location of warranty work if applicable
- Provide proposed vehicle F.O.B. to Candle Lake

Propose any potential/alternative solutions

Evaluation Criteria

The evaluation of proposals received will be based on the following:

- Proposal meets the needs outlined in this document
- Price;
- Availability;
- Warranty if applicable
- Delivery date

The Proposal shall include:

- Detailed information on how the proposed solution best fits the needs outlined
- Purchase Price
- Proposed timeline of delivery and/or completion;
- Warranty clause;
- Applicable taxes.
