### 2022 Adult Community Volunteer of the Year Award Nominations

Many of the wonderful events our residents enjoy each year in our community could not take place without the hard work and commitment of our volunteers.

Is there someone you feel deserves to be recognized for the volunteer work they do in our community? This is your opportunity to honour a Candle Lake Volunteer!

The Parks and Recreation Board recognizes the value of volunteers in our community and the effect these volunteers have on making the Resort Village of Candle Lake a great place to live. Each year, with the help of the community, the Board recognizes one individual or a couple, for their volunteer activities and community involvement over the past five years. The winner is chosen based on set criteria. A winner can receive the award only once. The key criteria include:

1. Membership in a community-based group, board and/or club at Candle Lake.
2. Participation in activities of these groups, boards or clubs over the past 5 years.
3. Sustained commitment to enhance the quality of life for residents of Candle Lake.
4. Has the ability to work well with other members of the group, board or club in order to facilitate ongoing community activities.

If you know someone who meets the criteria, please let us know by writing a letter of nomination. The letter should demonstrate how each of the criteria are met by the nominee. Please submit your nomination letter referencing the criteria provided to the Resort Village Office by May 12, 2023.

## News from the **Health Committee**

The Candle Lake Health Committee has been working very hard on several initiatives for the community including:

- Increasing Health Clinic operations to five days per week with full time Nurse Practitioner service or physician coverage.
- Strategies to provide phlebotomy service in Candle Lake. The Committee is negotiating with the Saskatchewan Health Authority to allow a contracted Phlebotomist to service Candle Lake and the surrounding community. (Phlebotomy technicians collect blood from patients and prepare the samples for testing.)
- Promoting utilization of Home Care Services in Candle Lake.
- Promoting the expanded scope of the Pharmacist.
- Researching the feasibility of virtual care or telehealth service at Candle Lake.

Updates on these initiatives will be provided on the Resort Village website as they are available. Click on the Resort Village Office menu item, then Boards & Committees and scroll down to Health Services, or click on this link: <https://candlelake.ca/p/health-services>

***Do you have any feedback or ideas on how we can enhance health services, and target our efforts to expand health services in our community?***

The Candle Lake Health Committee wants to hear from you! Call the Resort Village Office at (306) 929-2236 and ask for a Health Services Committee member to call you.

***Interested in joining the Health Committee?***

If increasing the provision of health care services in Candle Lake is important to you, consider joining our team. Make your interest known to the Resort Village Office or any Health Service Committee member.

### **Aschim Experiences Most Active Winter Ever - Submitted by Ed Horn**

From evidence that has been left behind, doggy bags in barrels, and the number of trails tramped out by snowshoers, Aschim has had a wonderful winter of activity! A well-ploughed parking lot allows hikers easy access and Aschim provides the rest - scenery, wildlife, history and unexplored parts of the Homestead that is best seen in winter. Traffic has been heavy enough that now snowshoes are not even needed to access the yard, house and most trails - winter footwear is all one needs. As the weather warms and boardwalks are exposed and the creeks begin to flow, different footwear will be needed but those clever enough to wear rubber footwear will still have great Aschim experiences. Enjoy the Aschim!

## Candle Lake **Curling Club News**

Now that the curling season has come to an end (March 23 was the last night before the plant was shut off), the Candle Lake Curling Club wishes to thank all the curlers and supporters who showed up to games and events this season. Three bonspiels were held and overall, it was a great winter of curling!

Many businesses supported the Club this year by providing donations and grants. The Club received a grant of \$6,000 from the Candle Lake Fun Run, and a grant of \$2,000 from Communities in Bloom which will be put towards the installation of natural gas heat in the rink. We are so grateful to have such great community support and we will work hard to make your curling experience worthwhile so you will want to come back for more!

This summer the Club will continue to support the community by hosting the BBQ at the Welcome Back to the Lake event taking place on May 20.

On May 27, you will see a hard-working group of volunteers from the Curling Club organize the Ladies Night Out event. Tickets are still available and can be found at Candle Lake Market, Teki All Season Service, and Sunserity Salon in Prince Albert. The event starts with cocktails at 5:00 p.m., followed by supper at 6:30 p.m. Chauffer service is available. Please call (306) 929-2419 to book a table.

## News From Communities In Bloom

### April 22nd Is Earth Day!

Earth Day is held each year to promote awareness of our environment and to recognize that there are ways that we can all make a difference and reduce our impact. Earth Day is April 22nd every year all around the world. Over six million Canadians join 500 million people in over 180 other countries in staging events and projects focusing on environmental issues in their areas.

Here are few popular and familiar ideas that will remind us that as individuals we can make a difference. We can continue to try to make Earth Day... every day!

- Wash full loads in your dishwasher. Wash a small sink full by hand.
- Wash full loads of clothes in your washing machine and hang them to dry when the weather is favourable.
- Use cold water for your wash cycle.
- Use your dryer right away if you have more than one load. This allows the drier to use the heat left over from the previous cycle and be more efficient.
- Approximately 15 million trees are harvested annually to meet the demand for the 10 billion paper bags that are used each year. The use of reusable bags can make a difference!
- Spring Cleaning – use non-toxic cleaning solutions such as baking powder for scouring and white vinegar in water for floors and windows.
- Thinking about buying a car? Consider a gas-electric hybrid and you will save gas and money.
- To conserve water in the bathroom, try to take shorter showers – about 5 minutes. Alternatively, you can install water efficient showerheads.

- Use cloth towels and napkins instead of paper.
- Use washable utensils and plates instead of throwaway plastic picnic gear.
- Use a lunchbox and thermos for school or work.
- Share magazines and newspapers with a friend or neighbour.
- Donate used goods such as clothing, furniture and toys to a thrift shop, day care or charity.
- Recycle the accepted paper, plastics, and tin cans.
- If you care about clean air and water, get involved and make your voice heard! Write a letter or e-mail to your elected representative and let them know that the environment matters to you.
- Not too far? Walk, bike or car pool.
- Turn off the lights when you leave a room.

The best way to help the environment is to learn more about your surrounding ecosystem. Take a hike, go on an animal or bird watch, or simply have a picnic. Spending time outdoors will give you a better look at the natural world around you. Having knowledge about local plants and animals and your impact on these habitats will allow you to make more informed decisions. Protecting our lake from harmful insecticides, weed killers and mercury are our responsibilities.

On Earth Day 2023, “enjoy the tonic of fresh air, contact with the soil, and companionship with nature! Walk through the woods in search of emerging wildflowers and green moss. Go outside, no matter the weather!”  
Old Farmer’s Almanac

Happy Earth Day from Communities in Bloom!

### Attention Prospective Gardeners!

Plans are well underway for the 2023 gardening season. Once Mother Nature sends her warm rays and spring breezes, we can do more than just dream about our next garden.

GOOD NEWS! There are some garden boxes that will be available for this year’s planting! If you are interested in a box, please contact Twyla Markham at (306) 361-2124.

## Candle Lake Trails **Advisory Board**

### 2023 Night Ski/Snowshoe Event a Success!

Our 2nd Annual Night Ski/Snowshoe event was held on March 10 at the Sandy Bay Campground. Thank you to Sask Parks for partnering with us to make this activity a great success. Parks provided the groomed lit trails, electricity and shelter for the hot chocolate, the fire pit and wood, and the “all-important” heated port-a-pottie. Our volunteers also deserve thanks for organizing, working, and participating on that evening to make sure everyone had a positive experience.

Approximately 40 people turned out to enjoy the evening and the weather was very cooperative. We hope to be able to have a similar event on Friday, February 23, 2024. Mark your Calendars!

## Candle Lake **Public Library:**

### April Events

**Saturday, April 1 (9:30 a.m. to noon) Pysanka for Adults:** Join us at the library to make your own traditional Ukrainian Easter Egg! All experience levels are welcome.

**Wednesday, April 5 & 19 (3:45 to 5:00 p.m.) Afterschool Program:** Gnome Garden! This is a two-part project. On April 5 we will use polymer clay to sculpt little garden decorations. These will be left at the library for baking. Kids can return on April 19 to plant and decorate their miniature garden. This program is sponsored with funds provided by Candle Lake Communities in Bloom. Please pre-register for this program so we can ensure we have materials for everyone! Please call Heather or Mary at (306) 960-9775 during library hours, or text this number anytime.

**Thursday, April 13 (10:30 to 11:30 a.m.) Kids Springtime Story and Craft:** Ideal for ages 3 and up.

**Thursday, April 27 (10:00 to 11:30 a.m.) Early Learning Program:** Chantelle with Regional KidsFirst will be visiting!

Join us for singing, dancing, crafts, and other fun activities! Ideal for ages 0 to 6 years.

The Candle Lake Library may be holding a Babysitting Course in the near future. If your child is 12 years or older, or soon to be 12, please contact Heather or Mary during our library hours for more information.

The Candle Lake Library would like to thank Candle Lake Communities in Bloom for a generous grant which has allowed us to purchase these garden and nature themed books, as well a Prairie's North subscription! Keep an eye out for upcoming programming, along with this month's Afterschool Program, which has been made possible through this grant.

### Looking to Donate?

Donations of puzzles and board games for kids are always welcome and we will be pleased to give them a second life here in some of programs for kids. Items can be dropped off anytime during library hours. Thank you in advance!

### Did you know?

Library cards are free for residents of the province of Saskatchewan. Also, if you are visiting Candle Lake, and you have a card from your local Saskatchewan library, you can use your card that to take out books here! Drop by for some summer reading adventures!

### Library Hours

- Tuesday: 11:00 a.m. to 5:00 p.m.
- Wednesday: 2:00 p.m. to 8:00 p.m.
- Thursday: 9:00 a.m. to 2:00 p.m.
- Friday: 10:00 a.m. to 2:00 p.m.
- Saturday: 9:00 a.m. to 1:00 p.m.

Thank you to Communities in Bloom for the generous donation of books!

Leprechaun traps made at the library by Ivy, Lily, Malia and Merrick in March. The Leprechauns managed to escape the traps, but left some little treasures for the kids!

## Upcoming Seniors Club Events

## READY, SET, GO!!! ONLY 40 SPOTS LEFT

The second annual Candle Lake Fun Run takes place September 16, 2023 and we are extremely pleased to have partnered with Candle Lake Golf Resort to provide a scenic location for the event.

All proceeds from the Run/walk will be donated to mental health initiatives within Saskatchewan as well as for community enhancement within Candle Lake. Over \$50,000 has been raised and distributed to community enhancement within Candle Lake and mental health initiatives across Saskatchewan from the Fun Run.

Awesome swag packages and all ages are welcome!

Following the Run/walk, we invite the community to come out and enjoy our Kidzone, live entertainment, beverage garden at the Rockin' with Rock Ridge tent, food trucks as well food and ice cream at the Golf Course.

### Registration Details:

Register online at [www.runningroom.com](http://www.runningroom.com). Go to the 'Races' tab and click 'Search Canada'. Choose 'Saskatchewan' and the Candle Lake Fun Run will be listed. Click on it and you will go to the online registration form. It's best to register on a computer rather than your cell phone or tablet.

**Church Contact** – Valerie Manton 306-960-0693

Please note: Valerie is the contact for the Community Church only.

**Unplanned** is the inspiring true story of one woman's journey of transformation. All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the United States ... she had counseled countless women about their reproductive choices.

**Unplanned** surprised industry observers when it became the fifth-most-watched film on its opening weekend in the US.

In May 2019, the film had a special {1st Canadian} screening in front of 2,800 people at Edmonton Expo. Faytene Grasseschi, a faith-based TV host who lives in Ontario, was among them.

"It's compassionate, it's well done, it's Abby's story but it's also giving Canadians an opportunity to understand what they're actually supporting when they say that they're pro-choice," said Faytene. She felt more Canadians needed to see it.

#### Unplanned made it to 56 theatres across Canada

With all the issues affecting life and family in our country today, we are inviting family-minded Candle Lakers to join us in watching this impactful, awareness-raising movie. Age 14 and over. Friday, April 28 at 7 pm. Candle Lake Community Church. Coffee and snack time to follow.

## News from the **Resort Village**

### **North Central Lakelands District Official Community Plan**

The North Central Lakelands District Official Community Plan Update project will be hosting a come-and-go open house in conjunction with the Welcome Back To The Lake event at Candle Lake on Saturday, May 20. More details will be shared in the May issue of The WAVE.

### **Planning for the Future**

At the March 16 Council Meeting, three planning documents that directly relate to an enhanced quality of life for Resort Village residents and visitors were adopted by Council.

#### ***Candle Lake 20 Year Master Plan for Parks, Opens Spaces and Trails***

There has been significant community interest expressed in preserving and enhancing the natural beauty of our community. The Candle Lake 20 Year Master Plan for Parks, Opens Spaces and Trails will help guide our decision-making and policy-setting regarding existing and future recreation infrastructure in the short, medium and long term. With priorities identified, we will be in better position to act quickly when funding or development opportunities arise. Thank you to everyone who provided their input and feedback to this important planning document!

#### ***Candle Lake Emergency Services Master Plan***

In October 2022 the provincial government passed legislation that requires all fire departments (volunteer or otherwise) to formally declare the level of service they can provide to a community or area. Educated decision-making is critical to the provision of emergency services, particularly as the Resort Village continues to grow. The Candle Lake Emergency Services Master Plan is a plan to enhance emergency services in the Resort Village over the next 10 years, including services to address the risk of wildfire. It provides direction and an implementation framework that can be aligned with operational planning and our budget process and creates a pathway to help us meet provincially mandated requirements.

#### ***Resort Village of Candle Lake Housing Needs and Demand Assessment***

The recently completed Resort Village of Candle Lake Housing Needs and Demand Assessment found that among our population aged 55 and older, there is interest in developing an independent living housing project, and that demand will continue to grow over the next 10 years.

**Learn More!** You can find these plans and some FAQ's we developed for each by clicking on the Resort Village Office menu item, then choosing Future Community Plans, or clicking on this link: <https://candlelake.ca/p/future-community-plan>

Note: We recognize the Master Plans are quite lengthy and so we are currently working on developing shorter summaries that include the plan highlights. We will share the link to these summaries as they are completed.
