P.O. Box 452 Candle Lake Saskatchewan S0J 3E0

Candle Lake Citizens on Patrol Program (COPPS) manages a registry of properties in the Resort Village of Candle Lake where the occupants have video (or still pictures) surveillance cameras. The registry is an investigative tool to assist our Candle Lake Community Safety Officers and the RCMP with investigations when incidents occur in your neighbourhood. You can help protect your community by registering your security camera(s) with the Candle Lake COPPS.

When you register your security camera(s) with the Candle Lake COPPS your contact information and the camera location information will **ONLY** be shared with the Candle Lake CSO's and the RCMP. **NO VIDEO FOOTAGE WILL BE SHARED WITH Candle Lake COPPS.** The investigators will contact you directly and request permission for surveillance footage for specific periods of time. It is at your discretion to release the video footage to the CSO's and/or RCMP.

Please complete the following form and email to CandleLakeCOPPSCameraRegistry@gmail.com if you wish to register your security camera(s) with the Candle Lake Citizens on Patrol Program. **ONLY** the investigators will contact you to gain your permission to view your surveillance footage, COPPS will never ask you for video footage. The registry of cameras will only be accessible to the COPPS database administrators, the CSO's and the RCMP. You may also mail the completed form to:
