News from the Health Services Committee

PLANNING FOR CANDLE LAKE HEALTH AND WELLNESS INITIATIVES – WHAT WE HEARD REPORT

We are excited to report we have compiled feedback from the community consultations held in March 2025 and the results of the community survey conducted last year, into a framework that will help us plan for future health and wellness initiatives in Candle Lake. The [Planning for Candle Lake Health and Wellness Initiatives – What We Heard Report](#) is now available on the Resort Village website.

INTERESTED IN VOLUNTEERING?

We are looking for two committee members to be part of our leadership team. These are two-year terms on the Health Service Committee. We also need short term support to help us create a program model and structure for the Volunteer Health Service programs we are working on. We currently have at least three projects we want to implement. Some of the skills we are looking for include setting up project plans, creating policy and procedures, developing volunteer programs, general computer skills, administration, record-keeping, and more!

If you are interested in helping out, either in short term project planning, or as a committee member, please let us know!

QUESTIONS?

Please contact us at rvclhealth@candlelake.ca, call Richard at (306) 220-6719 or Terry at (306) 221-7846.

We need everyone's wisdom for the wisest results!

Aschim Homestead Report for August

By the time you are reading this the July version of Wordle will be over and the August letters will be out. Winners of the July prizes will be drawn from the pool of the correct answers (5 draws for \$20.00). The same prizes will be drawn at the end of August. Remember to send your entries with correct answer to Ed Horn at (306)960-1666 or email to e.horn@skyvelocity.ca

The trails are freshly mowed, downed trees are taken care of and the yard and house away you. Come and explore Aschim. A must see this season is a newly created beaver dam that is being constructed at the very end of the boardwalk ending at Canoe Landing on Birchbark Creek. If you are quiet for long enough you can witness the beaver in action.

News from Candle Lake Communities In Bloom

Congratulations to our CIB 2025 scholarship recipients Nate Jensen and Kristen Horan. We wish you all the best as you both further your studies!

Check out Communities In Bloom's Mystic Forest display Along the Fun Run Trail. The stroll along this Candle Lake trail will not disappoint. Thank you to our volunteers the Duliak's and Owens for creating one of these special little stops along the trail on behalf of Communities in Bloom.

While you are visiting the Mystic Forest on the Fun Run Trail this summer, bring a coloured rock to add to Rosco the snake. Let's see how long we can snake Rocco around the trail. Such fun!

News from **the Resort Village**

We Want to Hear from You!

The Resort Village is gathering feedback on the RVCL Emergency Operations Centre response to the recent wildfire emergency that affected our community. Your feedback will help us enhance future emergency responses and build community resilience.

We are asking for your input to evaluate the following:

- Our response to the emergency including the actions of the Emergency Operations Centre;
- The effectiveness and clarity of our emergency communications; and
- Our Fire Department's FireSmart program, and how we can continue to implement FireSmart throughout our community.

This survey will remain open until August 8th. Please follow this link to access the survey: <https://www.surveymonkey.com/r/Z82FD7Y>

Thank you for taking the time to help us learn and enhance our emergency response in the future!

Community Hall Renovation Update

Exciting progress is being made at the Community Hall!

The gym is nearly complete — next steps include installing new lighting. Both the main floor and second-floor kitchens are substantially finished, with only the final mechanical work on the exhaust systems left. Outside, the building awaits the finishing touches, including new eave troughs and perimeter landscaping.

We appreciate your patience as we complete these final steps. We can't wait to welcome you back to an improved and refreshed space later this summer!

Help Us Keep Candle Lake Clean and Green – Flatten Your Recyclables!

Please remember to break down all cardboard and other recyclables before placing them in the RVCL Community Recycle Bins (by the Curling Rink and landfill). Flattening saves space and helps prevent overflow between weekly Thursday pickups.

Thank you for your patience as we adapt to the growing volume of recyclables; all this material stays out of our landfill and helps protect our environment!
