Loonie Pot winner Ward Tolley with Fraser Markham.

News from the Sport, Culture and Recreation Board

BINGO News

Two Bingo events will take place this month - on August 7 and 21. Doors to the Community Hall open at 6:45 pm, play begins at 7:30 pm. Concession items, Bingo dabbers and cards will be available for purchase each night. We hope to see you there!

The attendance at the July Bingo was 171. Congratulations to Ward Tolley who won the \$300.00 Loonie Pot. The \$497.75 Jackpot will be carried forward to the August 7 Bingo.

FEEDBACK

We'd love to hear what you think of The WAVE. If you have any comments or questions, please contact us at info@candlelake.ca

Volunteers Help Make Canada Day 2024 a Huge Success

The Resort Village of Candle Lake would like to thank everyone who helped make this year's Canada Day events successful. It is the wonderful spirit and volunteerism of our community members that make Candle Lake a great place to visit and live.

With support from the Sport, Culture and Recreation Board, the RVCL welcomed 34 entries for the 2024 Candle Lake Canada Day Parade. The Candle Lake Community Garden won first place for best parade float. Second place was awarded to Wally's Electric. Congratulations to both and thank you to all those who participated in the parade with decorated vehicles and floats.

Following the parade, a number of activities took place at the Community Hall. A brief ceremony was held to recognize our Volunteers of the Year. Congratulations to Lynette Martin who was presented with the 2024 Adult Volunteer of the Year Award, and Ethan Henderson who received the 2024 Student Volunteer Award. We thank Lynette and Ethan for their commitment to volunteering at Candle Lake.

With help from community volunteers, the Sport, Culture and Recreation Board members prepared a hotdog and hamburger lunch. A variety of activities including bouncy houses, an obstacle course, climbing wall, and balloon artists, were enjoyed by children.

2024 Adult Volunteer of the Year Award Winner Lynette Martin with Fraser Markham

The day's activities concluded with fireworks at dusk set off from Waskateena Beach by the Candle Lake Fire Department.

So many people helped out in the event planning and on Canada Day itself, and we thank them for giving their time to help make the day special for the residents and visitors to the Resort Village. As Winston Churchill once said, "There are no limits to the majestic future which lies before the mighty expanse of Canada with its virile, aspiring, cultured, and generous-hearted people".

Community volunteers Larry Kellett and Dwain Daniel cooking hamburgers.

RECREATION OPPORTUNITIES - August 2024

There's still time to enjoy a variety of recreation opportunities hosted by the Resort Village of Candle Lake! Events, programs, and activities for the month of August include:

August 6 to August 7	Football Day-camp
August 10	Scuba & Snorkel Lessons
Ending August 3	Swimming Lessons (register at www.Swimsafe306.com)
August 5 to August 9	Swimming Lessons (register at www.Swimsafe306.com)
August 16	Drive-in Movie

For more information about these recreation opportunities, and to download our Recreation Guide please visit [2024 Recreation Guide](#).

To register, please stop by the RVCL office or contact us at 306-929-2236.

Drive-in Movie August 16

Movie Title: Ghostbusters: Frozen Empire
 Date: August 16, 2024 (gate opens at 8:00pm)
 Location: RVCL Recreation Grounds Parking Lot
 Tickets: \$25/vehicle

Tickets are on sale July 31 at the RVCL office.

This event is proudly supported by the Sport, Culture and Recreation Board in collaboration with the Candle Lake Chamber of Commerce.

This event is sponsored by Sask Lotteries.

Scuba & Snorkel Lessons

The aim of scuba and snorkel lessons is to increase fascination of underwater environments using safe shallow water entry practices and skills under close supervision.

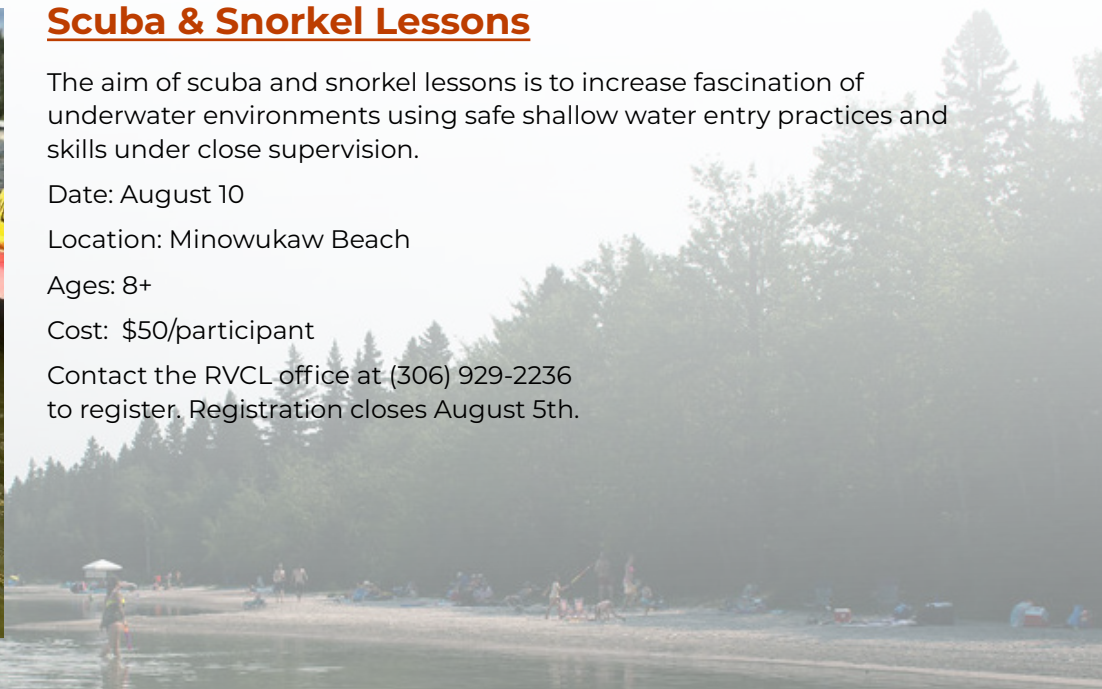

Date: August 10

Location: Minowukaw Beach

Ages: 8+

Cost: \$50/participant

Contact the RVCL office at (306) 929-2236 to register. Registration closes August 5th.

News from the Trails Advisory Board

Feature Trail: Northview Trail

This is an easy-to-moderate nature trail for walking/hiking, snowshoeing, and mountain biking. The trail is 2.2 km one-way. There are uneven surfaces and some wet areas with boardwalks. While on this trail you will travel through an old-growth forest with diverse vegetation, from ferns to some of the oldest and largest trees in the area. This East-to-West trail connects Nobles Point subdivision to Northview and Golf Course subdivisions. The West trailhead is located at the north end of the Simon Lehne trail at Simon Lehne Drive and Earl Street - parking is available at Nobles Point. The East trailhead is located at Northview Drive and 5th Avenue – a parking lot is available at the East trailhead. Improvements were recently made to the Northview Trail. On July 23rd mulching to widen the trail for easier maintenance access was completed.

Call for 'Trail Guardians'

Are you passionate about Candle Lake Trails? Interested in helping the Candle Lake Trails Advisory Board monitor trail conditions and maintain trails? Become a 'Trail Guardian'! The Candle Lake Trails Advisory Board would appreciate your help. If you walk, hike, cycle or ski any RVCL trails, your presence on a trail may help us to recognize potential improvements. The Board holds work-bees to repair boardwalks, pick up debris, trim saplings and shrubs, among many other maintenance activities. If you are interested in helping out and being added to the Trails Advisory Board list of 'Trail Guardians,' please contact Andrea Crowdis, Manager of Recreation and Community Development at (306) 929-2236 or parksrec@candlelake.ca

Trails Exploration Challenge

Remember to pick up a 'Trails Exploration Challenge' punch-card with your Activity Trail map from local businesses or the RVCL office to participate in the 'Challenge'. This year, the contest closes Friday, September 13th so there is still a lot of time to find the punch tools that have been placed on trails identified on the punch-card. Punch tools will be clearly visible and identified with a red trail marker. Use the unique punch tool associated to the space on the punch-card for the trail you are hiking. Successfully find and punch your card with three (3) of the five (5) punch tools and drop your card off at the RVCL office for a Candle Lake hiking badge and to be entered into a draw for a Yeti cooler. Happy hiking!

SASK HEALTH 211

For questions about any of the below issues please feel free to call 211
Text HELLO to 211
Online at www.211.ca

211 Saskatchewan offers a database of over 6,000 community, social, non-clinical health, and government services across our province.
To be connected with Service Navigators ready to help 24/7/365, or search below independently. Help over the phone is available in over 175 languages, including 17 Indigenous languages.

CALL 811
today to **GET HELP**

When you call 811, a licensed healthcare professional will give you options and information to help you with health or mental health and addictions-related questions or concerns. You will be able to discuss your concerns in a safe, caring, and confidential manner.

A registered nurse will assess your symptoms and help you decide whether to treat your own symptoms, go to a clinic, see your primary health care provider, or access emergency medical care, if necessary.

HealthLine 811 also provides mental health and addictions support. HealthLine's registered Psychiatric Nurses and Registered Social workers can offer crisis support, advice to help you manage your situation, and connections to resources in your community.

HELP TO DEAL WITH MENTAL HEALTH ISSUES:

- Behavioral and emotional disorders in children.
- Dissociation and dissociative disorders.
- Obsessive compulsive disorder.
- Bipolar affective disorder.
- Anxiety disorders.
- Eating disorders.
- Depression.
- Paranoia.

Candle Lake Health Services Survey Underway

[Click Here](#) to begin the survey and share the link with your friends!

Our Health Services Committee is working towards getting a good picture of what our healthcare needs look like, now and into the future. We need input from everyone, all ages!

The information we gather will help us to...

- More effectively plan for services we require.
- Identify the simple things we as a community can do to help ourselves, along with our friends and neighbors.
- Continue planning and collaborating with the government, SHA and other care agencies to assist us even more.
- Apply for more of many available grants, using accurate information.

Wondering who will see your particular online survey? Actually...no one! The survey software we use just gathers information and provides it to us anonymously and with all answers grouped collectively.

Together with our project partner, the [Saskatchewan Health Quality Council](#), we've adopted a very well-defined Privacy and Ethical Considerations document. It can be found on our website [here](#).

We're partnered with the Health Quality Council as one of the select communities involved in their province wide project "[Thrive at Home](#)". We're really excited to be a part of that project, and that they are excited about the work we're doing here at Candle Lake. This is only the first of the many partnerships we can create.

Our project is for everyone in the community – not just seniors. Your input and ideas will help us to make plans for everyone's health and wellness.

WAVE

News from **Communities in Bloom**

Candle Lake is a hub of activity this summer. The Communities In Bloom July Wordle game was a big hit, and a new Wordle game starting August – the word is 9 letters long.

Our Wordle contest involves finding letters on the various rest spots on the trails and boardwalks at Aschim Heritage Site. Each month will have a set of five \$20 awards drawn from the pool of correctly answered and submitted answers. Draws will be made at the end of the month. Submissions will be made to Ed Horn, text to (306) 960-1666 or email to e.horn@skyvelocity.ca Please include your name and phone number or email so we can contact you when you win.

Recycling Reminders:

- You can recycle fishing line. Please drop it in the black containers at the fish cleaning shacks.
- Drop off your beverage bottles and cans at the blue bins around the Resort Village and also at the landfill. Please remember these bins are for beverage containers only. No garbage is allowed in these bins.

Interested in volunteering? Let us know! We welcome anyone who wishes to help with the programs Community In Bloom offers here in this lake paradise.

Candle Lake Seniors Club – August Events

August 13

- Seniors' Potluck Supper
Happy Hour starts at 5:30 pm, Supper is at 6:00 pm
Members of our Seniors Club and guests are welcome

News from the **Resort Village**

Keeping Saskatchewan's Brightest Light Shining: Extra Help on Board during the Summer Season

This summer six students have been hired to support the Resort Village operations and to keep our community looking beautiful. One seasonal worker also provides support during the busy summer season.

Our students and seasonal workers are hard at work cutting grass, whipper-snipping, keeping our plants and flowers watered, and helping Public Works staff with anything they need include helping out at the landfill.

We thank Canada Summer Jobs for providing wage subsidies for one of our students this year.

If you see our summer students or season workers out and about, stop and say hello or give them a wave of appreciation!

HANNA TURCOTTE

Hanna has been coming to the Candle Lake in the summers for several years. She and her partner Tim purchased a cabin in 2022. Hanna loves the amount of places and activities available in Candle Lake for people of all ages, and she enjoys many of these activities with her one-year-old son Hudson.

This is Hanna's second year as a seasonal worker at the Resort Village. She says what she loves most about her summer job is getting to know the residents and visitors personally and creating solid connections with many of them. She enjoys the perks of the job, including being surrounded by nature and getting to see wildlife. Hanna was challenged this year to help give the Landfill a small facelift – she painted the Landfill shack and planted flowers. We think she's doing a great job!

When she's not working, Hanna enjoys days on the boat, going on walks in all seasons, ice fishing, and learning to forage for local plants. She also enjoys baking, hunting, collecting rocks and canoeing on the Churchill River.

BROOKLYN LOZEJ

Brooklyn has been living at Candle Lake for her entire life – 21 years. She says that living in the Resort Village has given her the opportunity to work and play in the outdoors, and that outdoor activities are endless in the Resort Village.

This is Brooklyn's first year working for the Resort Village. She started this past May as an Administrative Assistant Summer Student.

What Brooklyn enjoys most about her work at the Resort Village is that she is working in her field of study (Finance). She is learning different skills and has progressed her learning in the workplace. She says the individuals she is working are helping her along the way as she is still learning, and she appreciates how encouraging they all are. She enjoys engaging and talking with fellow community members that come into the Resort Village Office.

Brooklyn says it is challenging when she doesn't know the answer to questions the community asks. She is often asking for guidance from her co-workers, but it is becoming easier as she goes along.

When she's not working Brooklyn enjoys spending time with her family and friends around the lake, going to the beach, swimming, having bonfires, etc. In the winter enjoys snowmobiling, fishing, and spending quality time as a family.

BREAH FRENETTE

Breah has been spending her summers at Candle Lake since she was born. She says the best thing about living here is being able to spend a lot of time outdoors and the friendly people.

This is Breah's second summer working for the Resort Village. What she loves most about her job is helping to improve the community, getting to know the other students, and running the playground program (mobile playground). Some challenges about working for Resort Village include waking up early, preparing for long weekends, and getting everything done in time for community events and recreation.

When she's not working, Breah likes to go boating with her family and friends and sit around the fire pit. In the winter, she enjoys to snowmobile, ice fish, and sit in the cabin, as it's just nice to get out of the city.

KENDRA YELLAND

Kendra has been coming to Candle Lake since she was little kid. What she likes best about being here is living by the beach.

This is Kendra's second summer working for RVCL and she enjoys contributing to the community. A challenge she faces is working in the heat. When she's not working, Kendra enjoys to swim, In the winter she likes to go snowmobiling.

AMY LARSEN

Amy Larsen has been coming to Clake since she was a little kid every summer, and she enjoys living by the water.

This is Amy's first summer working for the Resort Village, and she loves being able to make a difference in the community and keeping it clean and presentable. What she finds most challenging is when she is on garbage duty. When Amy's not working, she likes to read a book at the beach. In the winter, she enjoys ice fishing.

ETHAN HENDERSON

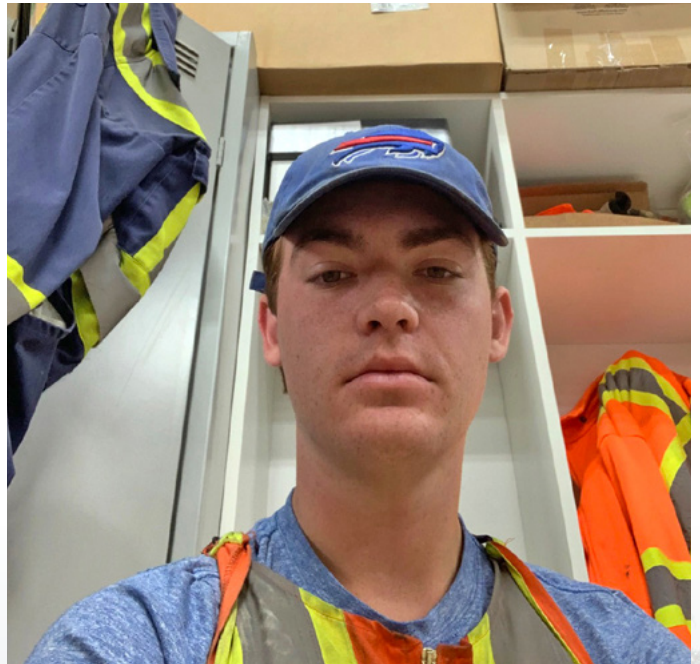

Ethan Henderson has been living at Candle Lake all his life. What he likes best about living in the Resort Village is the people. Ethan has been working at the Resort Village for three summers and he loves mowing the grass, although it's challenging in the heat. When he's not working, he likes to be on the lake.

CARTER MINIER

Carter is Mitchell's brother and he has been living at Candle Lake for 16 years. What he likes best about living in the Resort Village is the lake. Carter has been working for the Resort Village for the last three years. What he loves most about his job is going outside, although he says the heat can be challenging at times.

Carter likes swimming and skiing when he's not at work.

MITCHELL MINIER

Mitchell and his family have had a cabin at Candle Lake for 17 years. What he likes most about being here is the lake activities.

This is Mitchell's first year working for the Resort Village. He enjoys mowing grass but says whipper snipping in the heat is challenging. When Mitchell is not working he likes golfing and swimming. In the winter he likes to snowmobile.

2024 Election Results

Residents of the Resort Village voted on Saturday, July 27 to elect our Mayor and Council. The Council that will lead our community over the next four years will include:

Mayor - Colleen Lavoie • **Councillor** - Jonathon Attig (re-elected) • **Councillor** - Debra Hunter (re-elected)
Councillor - Hugh Garven • **Councillor** - Shelly Voykin

A total of 1,117 residents voted in the election. A breakdown of the results is as follows:

Candidates for Mayor:

Collen Lavoie - 795 • Joseph Barczia - 252 • Borden Wasyluk - 70

Candidates for Council:

Doug Allen - 389 • Jonathon Attig - 802 • Hugh Garven - 875 • Debra Hunter - 892 • Shelly Voykin - 766

The new Council will be officially sworn in on Thursday, August 1st at 5:30 pm.

July Council Meeting Highlights

- Council approved a resolution authorizing the mayor and administrator sign and execute a service agreement for the approved subdivision of Legal Description NW 26 55-23 W 2 in North Sackett (Thurber Subdivision).
- Council passed a motion to continue with enforcement to collect taxes outstanding from 2022 and 2023 from several property owners. The Tax Enforcement Act provides that Council may, by resolution, authorize proceedings for any title and it would be best practice to continue with proceedings against all properties to maintain an equal judgment for all owners with arrears.
- Council received and agreed to sign an agreement provided by the Investing in Canada Infrastructure Program (ICIP) to provide funding for the RVCL Landfill expansion.
- The RVCL Communication Policy was adopted. The Resort Village of Candle Lake (RVCL) strives to provide open, honest communication with residents, businesses, employees, and visitors. Communication plays an integral role in the success of each RVCL Department. Internally, all RVCL employees engage in communication practices daily, whether one-on-one with residents/public, or with co-workers. The Communications Policy provides background information and guidelines for the various forms of communications practices that are, or should be, in place to ensure a high level of communications proficiency.
- The RVCL Out of Scope Human Resources Policy was adopted. The Policy outlines employment provisions for out of scope staff who are not covered by the CUPE Collective Bargaining Unit.
- Council discussed a letter received from the Lakeland Fire Department terminating the existing Mutual Aid Agreement that is in place. The Resort Village would prefer to **enter into a new mutual aid agreement with Lakeland Fire Department** as response times to Aspen Ridge, Cranberry Creek and the Torch Light RV Park would be faster than what **they** could provide. A letter will be drafted and sent to the **RM of Paddockwood** asking them to consider and discuss this decision further **with the Village**.
- The new Saskatchewan Evaluation App was endorsed by council. The app was developed by the Saskatchewan Public Safety Agency to provide residents with a way to provide their community with necessary information required where an evacuation is necessary. The SPSA will be rolled out to Candle Lake residents soon. The public are encouraged to sign up for the App.

Church Services

Candle Lake Community Church

Worship Services – Everyone is Welcome
Sundays at 10 am

Worship Leaders for August

August 4 – Archdeacon Andrew Hoskin
