News from the Parks and Recreation Board

2022 Christmas Supper Fun for All

The Parks and Recreation Board 2022 Christmas Supper was held Saturday, November 26.

About 230 people attended the turkey supper. Families enjoyed sleigh rides, and crafts kept the children busy. After supper, Santa Claus and an Elf paid a surprise visit to the children.

Thank you to everyone who contributed to the success of this event by bringing a salad or dessert to share, decorating the Community Hall, cooking the turkeys, assisting with food preparation, serving and clean up. It was a wonderful evening!

Candle Lake Seniors Club News & Events

Candle Lake Seniors have ended 2022 on a few high notes:

- We have a new agreement with the Resort Village for our Hall.
- December ended with a successful Turkey Shoot and a popular Texas Hold'em! More to come next year.
- A great group put up a renovated Seniors Display in the Park at Sandy Bay for the Christmas Festival of Lights Tour. Thanks to all the workers who helped out at this great event. This was topped off by a super Christmas Supper with a sold out crowd, great food from our Canwood Caterer and a program organized by our "fun minded" social committee. Thanks to all: directors, bartenders, caterers, clean up crew, but mostly to the great group of Candle Lake Seniors and their friends who attended the supper!

Merry Christmas to all and let's have a great 2023!

Candle Lake Public Library: **January News & Events**

On Saturday, December 10 the library held a fundraising raffle at the Candle Lake Golf Resort Christmas Market. Congratulations to Jan, Darryl, and Del who won our prizes which included two gift baskets and an afghan blanket. Thank you to everyone who purchased tickets; we appreciate your generous support of our library. All money raised will be used for programming within our community!

Our Teddy Bear Sleepover on December 14 was a huge success! Ivy, Lily, Thorsten and Solvie all came to make a Christmas tree decoration and read a Christmas story. Their stuffies stayed overnight at the library. They did puzzles, decorated the tree, roasted marshmallows, watched *The Grinch*, and had storytime before bed!

Upcoming Events

Storytime & Craft: Thursday, January 19 (10:30 to 11:30 a.m.) – Bring your children to the library for an early learning story and craft (suitable for ages 2-6 years).

After School Activity: Wednesday, January 25 – Come visit the library for an activity and take some books home afterwards. Arrangements will be made to have school buses drop participating kids off at the library, with parent pick-up at 5:00 pm. Parents, please let your bus driver know if your child plans to attend. Children who do not have a library card but wish to borrow books can register for a free card for use on this day. Please bring a piece of ID when you pick up your child, such as your drivers license or the child's health card, and we will quickly get you registered!

Did you know? Library cards are free for residents of the province of Saskatchewan. Also, if you are visiting Candle Lake, and you have a card from your local Saskatchewan library, you can use your card that to take out books here! Drop by for some summer reading adventures!

NEW! Library Hours Expanding Effective January 1, 2023

- Tuesday: 11:00 a.m. to 5:00 p.m.
- Wednesday: 2:00 p.m. to 8:00 p.m.
- Thursday: 9:00 a.m. to 2:00 p.m.
- Friday: 10:00 a.m. to 2:00 p.m.
- Saturday: 9:00 a.m. to 1:00 p.m.

Communities in Bloom

The members of Communities in Bloom thank everyone who has been so supportive of our fund raising projects for 2022. Merry Christmas and our wishes for all good things in 2023. Happy New Year!

Aschim Homestead in the Winter

Thanks to the Village crew for ploughing the parking lot and entrance road to the Aschim Homestead. Aschim is a snowshoe mecca and each route offers something different! From the parking lot, follow the snowshoe signs to get to the house and beyond OR use the service road to access a shorter trail to the house. Another option is to follow the trail to the house as far as the porta potty junction and then take the snowshoe marked trail that goes past the climbing trail and across the swamp. The snow conditions are great which ever route you take! A great Christmas outing and on into the New Year!

Enjoy the snow at Aschim!

Message from Emergency Services

Resort Village Emergency Services would like to remind property owners to ensure civic address numbers are posted on your property in a location that is visible from the street. Visibility from the street is key to helping Candle Lake Emergency Services find homes quickly and accurately.

2023 Swimming Lessons

Details on lessons for this summer are coming soon! Watch the March or April WAVE newsletter for information on registration.

New Resort Village Staff

The Resort Village is pleased to announce Mark Peters has been hired as our new Development Officer. Mark has been employed by the Village for the past three years as a Community Safety Officer. For the last three months he was Acting Development Officer. Our new Operations/Public Works Manager is Jason Campbell. Jason has been Acting Operations Manager since November and comes to us from Saskatoon where he worked for many years in property management and construction. We are glad to have both Mark and Jason join our team! They look forward to meeting and serving the residents of our community.

2023 Budget Planning Begins

Resort Village Administration is engaged in planning for the 2023 Budget. Council will meet throughout January and March to finalize plans for the coming year, with a goal to present the 2023 Budget no later than April 13, 2023. Two major projects have already received grant funding including the rehabilitation of the Community Hall and the capping of the historic landfill cell.

New Animal Control Bylaw Coming Soon

The Resort Village is receiving a high number of calls about coyote and wolf sightings in the community this year. These predators come into the community in search of food and garbage that has been left out, small pets or other domesticated animals. They prey on other wildlife that may live or be attracted to the community. An Animal Control Bylaw has been developed to regulate the type of animals that can be raised in the community and to restrict the practice of feeding wildlife that encourages or attracts wildlife to the community. The Bylaw will be presented to Village Council in January. For information about the dangers of feeding wildlife, or details on the proposed bylaw, please visit our Public Notice link at Candlelake.ca.
