Upcoming Bingo Dates
(7:30 to 10:30 pm):

- June 16
- July 12
- July 26

Approximately 60 people attended Bingo on May 17th. The Jackpot prize of \$435.25 was not awarded so this base amount will be carried forward to the next Bingo on Friday, June 16.

Thank you everyone for your continued support of this activity!

Mystical Forest Coming Soon!

The Mystical Forest returns July 1 to Sept 4. This adventure takes place on a 1.5 km walking trail. It is located on Bay Lake Trail Number 1 with the entrance behind the ball diamond and tennis court area.

Everyone is welcome to add their own creation to this mystical adventure!

Walking only permitted on the trail - No bikes or ATVs allowed. Remember to pack your mosquito spray!

The Savannah Sipping Society Reviews Are In!

May 5, 6, and 7 was an incredible weekend of live theatre with the production of "The Savannah Sipping Society" put on by the Candle Lake Parks and Recreation Board. Three superb performances were held to a sold-out crowd! Many hours of preparation went into making this event a huge success, and the actors are to be commended for their outstanding roles:

- Karen Gartner-Johb as Randa Covington
- Lana Rossmo as Jinx Jenkins
- Michelle Korol as Marlafaye Mosely
- Shelley Empey as Dot Haigler
- Twyla Markham as Grandmother Covington

The Parks and Recreation Board wishes to acknowledge and thank the following for making this event possible:

- Bev Huziek and Linda Stevenson for assisting Michelle Korol with the direction and execution of the production and covering all of the key details.

- The RVCL Administration for providing access to the Community Hall, managing ticket sales, and preparing the required seating plan.
- The Candle Lake Seniors Club for making the Seniors' Meeting Room available for the actresses' use.
- The many community volunteers who assisted with the following production related activities:
 - set construction and assembly
 - music and sound effects
 - stage lighting
 - community hall decorating and set up
 - beverage and meal service
 - set take down and clean up

The next Parks and Recreation Board drama production is scheduled for the second quarter of 2025. Please consider taking on a role as an actor in this next event.

Candle Lake Trails Advisory Board Spring Updates

This spring there is much excitement surrounding our Activity Trails. The extension of the West Side Trail from Bereskin Drive to Main Street is very close to completion and will give pedestrians and bicyclists access to designated pathways from the Air Park to the Bayview Drive business area. How cool is that?

In February's Wave we acknowledged an extremely generous grant of \$16,000 received from the Candle Lake Fun Run. The grant will be used for a trail from Bayview, parallel to Hwy 265, to the Recreation Hub (hall, RVCL office, ball diamonds, etc.) and including the Bay Lake Trails, which hosts the Parks and Recreation Board Mystical Forest. Other grant opportunities are being pursued to fund the creation of this trail. We anticipate development activity on this trail to start this summer or fall.

We are happy to be the recipients of a \$700 grant from the Saskatchewan Trails Association, which will be put toward the ground clearing for an extension of the Simon Lehne Trail to connect to the Northview Trail and continue on to Nobles Point. The Affinity Credit Union District Council Funding grant of \$1,000 received in Fall 2022 is also being used for this project.

CANDLE LAKE TRAIL EXPLORATION CHALLENGE

To promote human-powered trail use this summer, the Candle Lake Trails Advisory Board is holding the 'Trail Exploration Challenge'. The contest is open from June 15th to August 15th. Starting in June, pick up a punch-card with your trail map (located at local businesses and the RVCL Office). During your hikes this summer, find the punch-tools that have been placed on trails identified on the punch-card (one punch tool per trail). Punch tools will be clearly visible and identified with a red trail marker. Use the unique punch tool associated to the space on the punch-card for the trail you are hiking. Successfully find and punch your card with three (3) of the five (5) punch tools to be entered into a draw for a Yeti cooler! Completed punch-cards can be dropped off at the Village Office. Please respect the environment and stay on designated trails and have fun!

News from the Candle Lake Curling Club

On July 8, Donny Parenteau will be hosting two musical shows at the Community Hall.

The first show begins at 4:00 pm. The second show is an evening cabaret and begins at 8:00 pm. The Curling Club will provide canteen and bar service. Ticket information will be shared as soon as possible, or you may contact Deb Hunter at 306-981-6616.

Also on July 8 the Art Club will hold its Annual Art Show from 10:00 am to 4:00 pm at the Snow Drifters Club. Everyone is welcome!

Approximately 75 people came out to see Jim McKillop live in concert on May 17, an event hosted by the Candle Lake Curling Club. Jim performed an assortment of songs including selections from his recordings Touching Smoke and River Street. We were pleased to have had singer/songwriter Jim return to Candle Lake and provide a most enjoyable evening. Thank you to everyone who attended and supported this event.

Discover Scuba/Snorkel Experience

The RVCL has contracted Kelsey Scuba club to offer scuba/snorkel lessons to anyone aged eight years and older.

Three sessions will be held from 2:00 to 4:00 pm on the following dates at Mosher Park (on King's Way, Lakeside Subdivision):

- Saturday July 29
- Tuesday August 8
- Thursday August 10

The sessions will not provide a snorkel or scuba diver certification but will give participants a taste of the sport. They will aim to increase fascination of underwater environments using safe shallow water entry practices and skills under close supervision.

The cost to attend a session is \$50 per person, per session, and payment is required upon registration. Each participant must sign a waiver three days prior to the session start date. To access the waiver, visit the Ontario Under Water Council at <http://underwatercouncil.com/?action=cms&cmspage=about-the-ouc#pso>. Be sure to use the appropriate waiver (adult or minor).

To register, please contact the RVCL Office at 306-929-2236.

What to bring:

All gear will be provided, however participants are encouraged to bring their own snorkel gear if they have it. Proper swimming attire is required. Water shoes or footwear that can be worn in the water is recommended.

About the Kelsey Scuba Organization

For over 45 years the Kelsey Scuba Organization has been conducting programs in Saskatchewan. The organization is based out of the Saskatchewan Polytechnic Students Association. They strive to show people how exhilarating the underwater world is and provide education on scuba diving.

For more information on the Kelsey Scuba Club visit: <http://kelseysclub.com/first.htm> or text/call Scuba Instructor Cliff Adolf at 1-306-270-8495.

Candle Lake Community Garden Expansion Update

Gardening is a great and enjoyable physical activity, which adds to our mental health, and gives us the benefit of growing your own food. The social aspect of a project like this through its development, work days, and ongoing maintenance cannot be understated for its benefits to the community. The first Candle Lake garden was a huge success and has the support of many community stakeholders.

These gardens bring like minded people together regularly to plan, develop, and ultimately harvest food for many to enjoy. Food sharing, plant swaps/share, tours, etc., are examples of ways the community garden can enhance the wider community of Candle Lake. Candle Lake residents spend a good portion of their summers here, since gardening is also a summertime activity, and having an additional community garden right here at Candle Lake is a benefit.

Living in this beautiful, pristine environment doesn't always blend ideally with our lake properties when it comes to growing a garden. So having a central location to garden makes this summertime pastime possible.

The Community Garden is open to anyone who wants to get involved. The garden expansion is being developed following the planning steps of the first. This second phase addition will accommodate 50 more garden boxes for use by our Candle Lake seasonal and full time residents. In addition, the whole garden will be fenced in to keep our beloved native animals out of the garden the best we can.

We are thankful for the many volunteers who have come out to date to contribute their time to complete this expansion. The garden is a cooperative and as such needs the involvement of the members to keep it going. After the garden is built there is on going maintenance that the membership needs to take care of. With the help of all the members the tasks to keep the garden productive and weed free is possible.

We are extremely thankful and appreciative for the support from community groups such as Candle Lake Communities in Bloom, Candle Lake Parks and Recreation Board, Affinity Credit Union, Candle Lake Fun Run, and the many businesses and Candle Lake residents who have supported the garden and made this expansion possible.

Checkout the Candle Lake Community Garden Face Book page for updates.

The glory of gardening: hands in the dirt, head in the sun, heart with nature. To nurture a garden is to feed not just the body, but the soul. – Alfred Austin

The Candle Lake Fun Run is just one group that has supported our community garden!

News from the **Resort Village**

New Golf Cart Bylaw

The RVCL was instrumental in bringing about changes to provincial regulations to allow municipalities across the province to permit the use of golf carts on municipal roads. At the May regular meeting of Council, a Bylaw regulating the operation of golf carts in the RVCL was approved. The Golf Cart Bylaw permits the operation of golf carts during daylight hours on municipal land (excluding walking trails, municipal reserves, parks, greenspaces, playgrounds or cemetery) and, on roadways (excepting provincial highways and municipal roadways with posted speed greater than 40 kms). The bylaw does not include the Saskatchewan Provincial Parks. Operators must have a valid class 5 license, carry liability insurance, and obtain an annual permit/plate from the Resort Village Office. Permits are available at the Village Office for the sum of \$25 and must be displayed on the rear of the golf cart along with a slow-moving vehicle device. Commencing January 1, 2024, both golf carts and ATVs will require an annual permit. These fees will mitigate some of the administration and enforcement costs associated with the bylaw. In the future, permit fees may contribute towards the development of paths linking neighborhoods that are not connected by roadways where carts or ATVs are permitted to travel. For full details please visit www.candlelake.ca.

Tax Notices

2023 Tax notices will be mailed out the last week of May. Taxes are due by December 31, 2023 to avoid interest charges. Residents who pay their taxes before August 31, 2023 will receive a 5% discount on the municipal portion of their taxes. The Resort Village offers a convenient way to pay your taxes with regular preauthorized monthly payments (TIPPS). For more information, please call the Resort Village Office at 306-929-2236.

Walking Trails

The RVCL has completed work on the Main Street and West Side Trail Extension projects in time for the summer season. The West Side Trail extension was in part funded through the Canada Community Building Fund. The Fun Run Committee has contributed funding towards the Fun Run Trail from Bayview Drive to the Community Grounds. The Resort Village has also applied for funding from SGI in the hopes of completing this project this summer.

Employment Opportunities

The Resort Village Public Works Department has an opening for one summer student general labourer position and is also looking for a seasonal or casual equipment operator with experience operating a mini excavator. For more information please call 306-929-2236 or visit www.candlelake.ca/p/employment

Summer Consultation Cafés for North Central Lakelands Planning District Official Community Plan Update

Approximately 70 people visited the North Central Lakelands Planning District Café that was part of the Candle Lake Welcome to the Lake event on May 20th. The conversations about future land use and the new Official Community Plan were of great quality.

If you missed the Café and wish to connect with the Planning Consultants to inform new policies affecting Candle Lake on Housing, Services, Recreation, Seasonal Residency and Short-Term Stays, and Sustainability, join an upcoming event!

- RM Paddockwood Office: June 2 from 10:00 am to 1:00 pm
- Christopher Lake Legion Hall: June 3 from 10:00 am to 1:00 pm
- Lakeland Community BBQ (Lions Park, Spruce Point, Christopher Lake): July 28 from 2:00 to 5:00 pm

To learn more visit the Virtual Open House at <https://www.wallaceinsights.com/NCLakelandsDOCP>

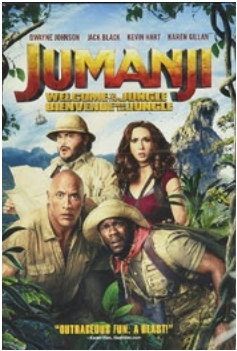

A District Official Community Plan (DOCP) should reflect community values and therefore the Planning District members, including the RM of Paddockwood, District of Lakeland, Resort Village of Candle Lake, Resort Village of Elk Ridge and Village of Christopher Lake, have engaged Crosby Hanna & Associates and Wallace Insights to conduct public engagement as part of the update process.

A DOCP is created to comply with The Planning and Development Act, 2007 and contains policies to guide land use and community development based on community-identified priorities and goals. The DOCP enables communities, property owners, businesses and developers to make informed decisions and contribute positively to vibrancy, safety, self-reliance and sustainability. Topics covered by the updated DOCP will speak to growth management (e.g. residential, commercial, agricultural, etc.), community services and amenities, transportation, public works, environmental assets and opportunities, and risk management.

Work began last summer with the collection of background information and analysis of societal trends likely to affect the region over the next 25 years. An informative video posted to the project webpage at www.wallaceinsights.com/NCLakelandsDOCP provides a summary of this work.

A Phase One Survey was open last Fall. The results were used to identify areas where new policies may be important in the updated DOCP. Visit the 'Virtual Open House' to view the Phase One Survey Summary and see the Policy Ideas.

Drive-in Movie Tickets On Sale July 15th!

The Resort Village of Candle Lake will be holding a drive-in movie showing of “Jumanji: Welcome to the Jungle” on August 18 at the Recreation Grounds. A limited number of advance purchase “vehicle tickets” will be available starting July 15. Tickets are \$25 per vehicle (no larger than a minivan). Advance purchase of bagged popcorn with a canned pop will also be available at the time of ticket sales.

More details will be available in July in the Wave and on the RVCL Facebook page.

Mobile Playground Program

Starting in July the Mobile Playground Program will be offered at the Resort Village Recreation Grounds on Wednesdays from 10:00 to 11:00 am Kids between the ages of 6 to 12 are invited to participate in activities related to sports, nature, sciences, and adventure challenges. When raining the program will move indoors for crafts and games.

The program is free to attend.
