Remembrance Day 2026 Lest We Forget

Every November during Veterans' Week, schools and community groups across Canada hold ceremonies to remember the sacrifices and achievements of those who have served our country in uniform. Events like these that pass on the traditions of remembrance are ways we can collectively show our appreciation to veterans and their families.

Our community will honour our veterans and all those who are currently serving at the Canadian Legion 2026 Remembrance Day Service. The Service will take place November 11 beginning at 10:45 am at the Community Hall. A light lunch and social will follow. If you are able, please bring a vegetable snack or dainties to share.

News from the Health Services Committee

Neighbours Helping Neighbours

After two years of community consultation, planning and development, Candle Lake's Alive & Well Volunteer Program is ready to launch!

Through community surveys and conversations with residents, the Candle Lake Health Services Committee identified gaps in local services and opportunities to help residents remain healthy, connected and independent.

We listened. We planned. And now we're ready to put those plans into action.

The Alive & Well Volunteer program creates process and structure that will create an organized network of volunteers providing new services, that will also complement and strengthen our existing Social Prescribing program, provided by Amy, our Community Connector. Together, these initiatives will provide a more coordinated and practical community support system.

Because sometimes a little help can make a very big difference.

WE'RE LOOKING FOR VOLUNTEERS!

Opportunities include providing transportation to appointments, helping with groceries or deliveries, offering friendly check-in calls or visits, and assisting with simple household or seasonal tasks.

You choose how you would like to help and when you are available. Volunteers will receive orientation, training and ongoing support, with screening and reference checks to help ensure everyone's safety.

If you have already registered in Better Impact our Volunteer Coordinator will be calling. If you have not, please reach out to Pam at lakelifevolunteers@candlelake.ca

COULD YOU USE A LITTLE HELP?

Perhaps getting to an appointment is becoming difficult. Maybe you could use a hand with groceries or would welcome an occasional friendly check-in.

Asking for a little help doesn't mean giving up your independence. Sometimes it's exactly what helps you maintain it.

Our Volunteer Coordinator, Pam, will work with you to understand your needs and arrange appropriate volunteer assistance.

GROWING TOGETHER – WE NEED YOUR HELP!

Our launch will begin with a small group of volunteers— our first Alive & Well Volunteer Pioneers.

This introductory phase will allow us to test services, learn from participants' experiences and make improvements as we expand the program. Your feedback will help shape a safe, reliable and welcoming program for our community.

ONE PHONE CALL GETS YOU STARTED!

Interested in volunteering? Could you use some assistance? Or know someone who might benefit? Reach out!

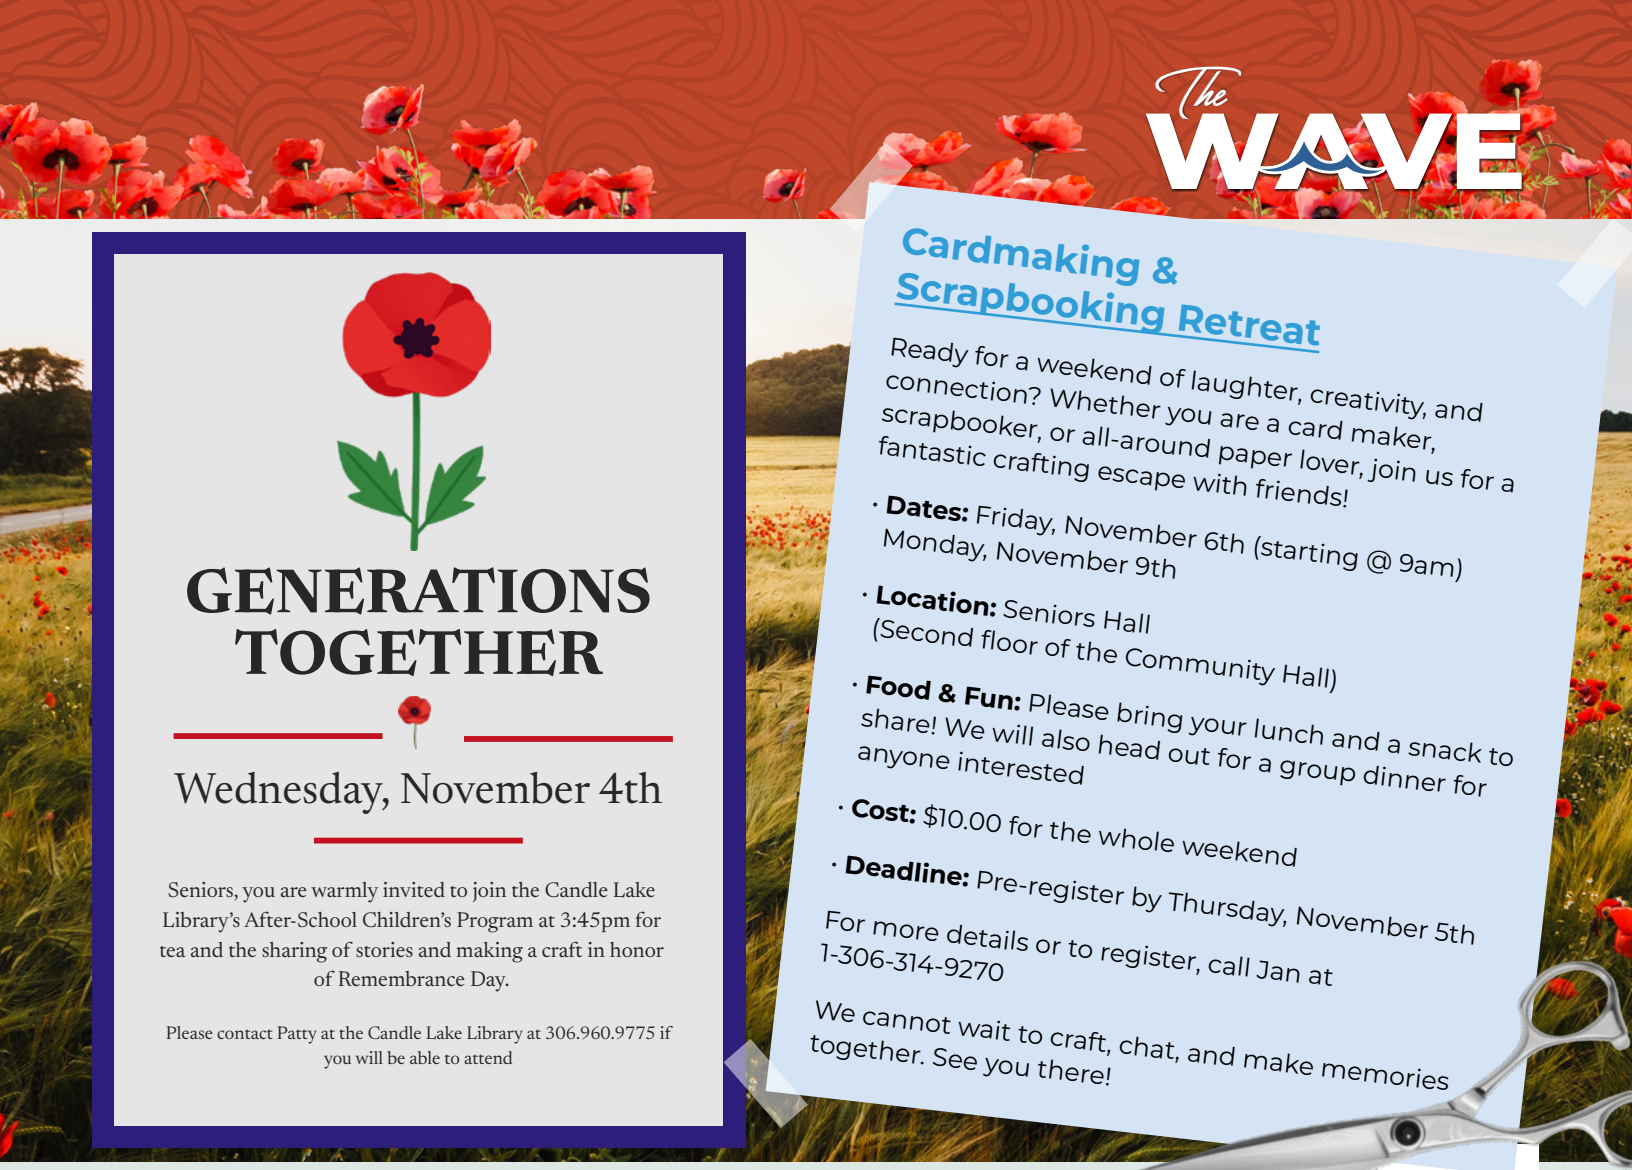

Pam — Volunteer Coordinator
Phone: 306-929-2255
Email: lakelifevolunteers@candlelake.ca

Amy — Community Connector / Social Prescribing
Phone: 306-960-6710
Email: rvclsocialprescribing@candlelake.ca

After two years of building the foundation, it's time to bring our community's vision to life — one volunteer, one neighbor, one small act of kindness at a time.

Together, we're helping Candle Lake stay Alive & Well!

Happy 5th Birthday To The Candle Lake Library!

The library opened its doors on November 2, 2021 and has happily grown and welcomed many patrons through its doors since! Thank you to all our patrons for your support, we are so glad to be here in Candle Lake!

AFTER SCHOOL PROGRAMS

Community Initiatives Fund

Our October themes were focused on Thanksgiving and Halloween! On Oct.7 the kids gathered leaves and pinecones from outside and glued them on paper to make Thanksgiving Turkeys. They also made stamps from apples and dipped them in paint to stamp out some pumpkins.

Please join in our program on November 4 to celebrate Generations Together. We invite the seniors in our community to come in and share stories and memories with the children, while crafting a Remembrance Day item together. Please contact Patty at 306-960-9775 if you are able to join us!

Thank you to Community Initiatives Fund for their generous grant which funds the Curious Kids After School Program. This is our 4th year offering this amazing program!

Please follow us on Facebook for all our activities and updates and feel free to contact the Library at 306-960-9775 or canlake@wapitilibrary.ca at anytime if you have any questions!

TIPS FOR SPOTTING EMAIL SCAMS

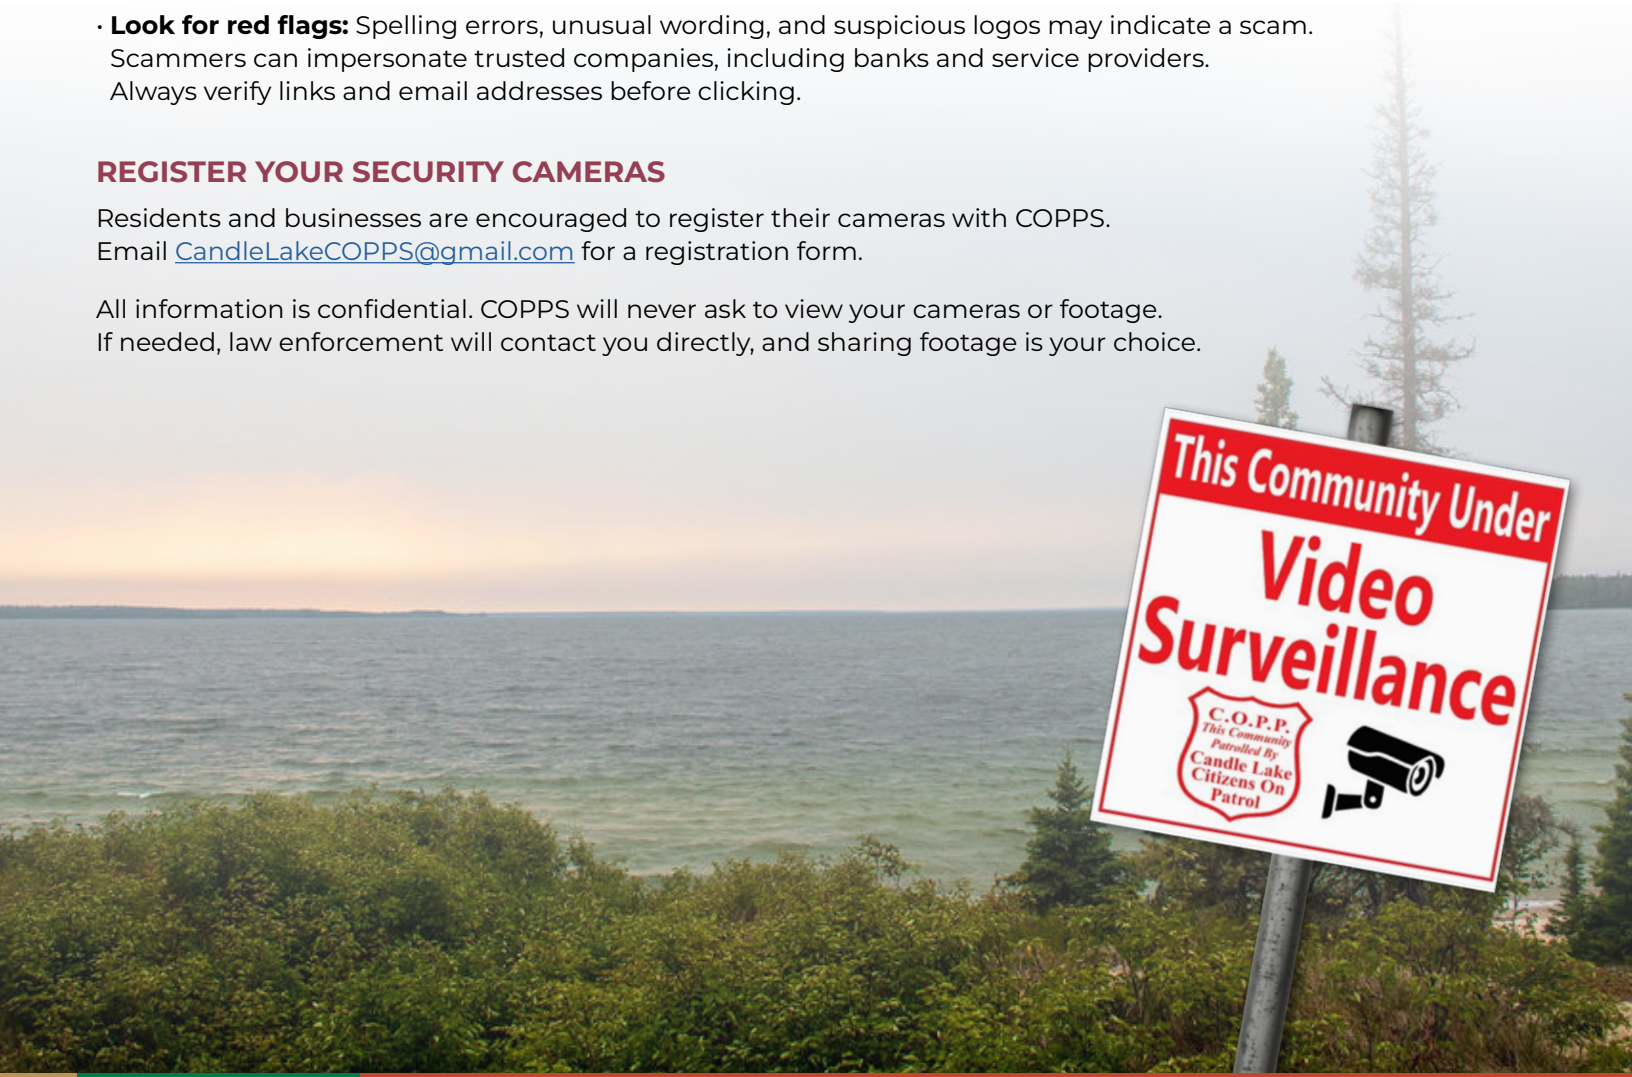

The following tips are adapted from the Canadian Automobile Association (CAA).

- **Check the sender:** Verify the full email address, not just the sender's name
- **Think before clicking:** Hover over links on a computer or press and hold onto the phone to preview the address. When in doubt, visit the company's official website directly
- **Watch for urgency:** Be cautious of messages pressuring you to act immediately
- **Protect your information:** Never share personal or payment information in response to unexpected emails
- **Question unusual offers:** Verify unexpected deals or surveys directly with the company
- **Look for red flags:** Spelling errors, unusual wording, and suspicious logos may indicate a scam. Scammers can impersonate trusted companies, including banks and service providers. Always verify links and email addresses before clicking.

REGISTER YOUR SECURITY CAMERAS

Residents and businesses are encouraged to register their cameras with COPPS.
Email CandleLakeCOPPS@gmail.com for a registration form.

All information is confidential. COPPS will never ask to view your cameras or footage.
If needed, law enforcement will contact you directly, and sharing footage is your choice.

Candle Lake **Emergency Services**

Emergency Preparedness

Submitted by Sheryl Spence EMO

We have had a beautiful fall season, but winter is just around the corner. Now is the time to prepare for the colder months ahead. When it comes to winter safety and cold-weather preparedness, remember the **Five P's: People, Pets, Plants, Pipes, and Practice Fire Safety.**

- **Protect People:** Dress in warm layers, stay dry, limit time outdoors in strong winds, and check on young children, older adults, and vulnerable neighbours.
- **Protect Pets:** Bring outdoor pets and animals inside whenever possible. If they must remain outdoors, provide a warm, dry shelter and make sure they have access to unfrozen water.
- **Protect Plants:** Cover cold-sensitive plants or move potted plants indoors to protect them from frost and freezing temperatures.
- **Protect Pipes:** Insulate exposed and outdoor pipes. During very cold weather, Disconnect and Drain Hoses: Remove all garden hoses, splitters, and sprinklers from outdoor spigots before temperatures drop, and let any remaining water drain out.
- **Practice Fire Safety:** Use space heaters safely and keep them away from flammable materials. Never use outdoor grills, camp stoves, or other fuel-burning appliances indoors for heat. Test your smoke and carbon monoxide alarms to make sure they are working properly.

A little preparation now can help keep you, your family, your pets, and your home safe throughout the winter.

News from the Resort Village

Lagoon Expansion Project Update

We are excited to share that the Resort Village of Candle Lake's lagoon expansion is on schedule, with substantial completion expected in late November!

Associated Engineering, the Village's project manager, reports that construction is running smoothly and remains on track.

Project Milestones:

- The new wastewater storage cell is complete and operational.
- Our contractor, Get Green, is now entering the final phase of construction on the remaining storage and treatment cells.
- Installation of the liner system is currently underway.
- Next steps will see crews begin work on the wastewater transfer structures and truck unloading facilities.

This project is supported by an Investing in Canada Infrastructure Program (ICIP) grant. Once complete, it will significantly increase our wastewater treatment and storage capacity to support our community's long-term growth and needs!

Council Meeting Highlights: October

2026 Third Quarter Budget Update

Council received an administrative report for the third quarter of Operations and Major Capital Projects planned for 2026. Administration reported that operational spending is on track to come in within budget and 34 of 48 planned major projects have been completed, or are expected to be completed before the end of the year. The remaining projects will be deferred either due to scheduling or funding issues.

Lagoon Expansion Project – Council was presented with a crown land lease for 120 acres of land for the lagoon expansion project. The agreement extends to 2059 and can be renewed. There is no rent payable under current provincial policy.

Bylaw Enforcement Officer Appointment – Council appointed newly hired Resort Village Community Safety Officer (Special Constable) Eric Skibinisky as a Bylaw Enforcement Officer. Eric will assume local bylaw enforcement duties immediately. Once the provincial appointment process is complete, his role will expand to include Special Constable duties. Please welcome Eric to Candle Lake!

Renew Insurance Coverage –Council adopted Administration's recommendation to increase insurance coverage to reflect replacement cost as per Suncorp Valuation's Appraisal and renew the policy through Saskatchewan Urban Municipalities Association with AON.

Detailed minutes will be posted on the RVCL website once they are approved at the next meet of Council. Agendas and reports can be found at this link: RVCL Agendas and Minutes
