- Mary Davis

Recycling

Please continue to drop off your bagged recycling at the blue bin and barrel at the Landfill Building in the Resort Village. Recycling barrels will soon be available at the parks and beaches. Thank you for your tremendous support! We are anxious to proceed with new projects this summer!

Please keep healthy and safe during the coming season!

Pitch In and Clean-up Program

We hope to hold our annual clean-up program this spring. If this event goes ahead, group and sport coordinators will be contacted and information will also be posted on the Resort Village website and Facebook page. This event usually takes place after the May long weekend. In the meantime, we hope that residents and seasonal visitors will take the time to clean their yards, nearby ditches and roads and walking trails.

Update from Communities in Bloom (CiB) 2021 HIGHLIGHTS

The 2021 season was a busy and challenging one as COVID-19 continued to be an influencing factor in what CiB could do as a volunteer committee of Council. However, we remained determined to follow our Mission Statement and actively support community beautification and enhancements, heritage conservation and environmental responsibility.

Some Highlights in 2021:

- We helped fund the purchase of a new groomer for Trails.
- Early in the year a wooden bin (recycling donations) was purchased and placed on the Village grounds; a metal bin (storage) was purchased and placed next to the Landfill Building.
- Floral baskets and displays were ordered in late fall (2020) and we assisted in the hanging of the baskets in early June. Plants were purchased for the floral beds and a number of pots. They were planted and cared for all summer.
- Recycling barrels were prepared and set out at the Provincial Beaches, Mariner's Cove, Candle Lake Golf Resort, Tempo, C & S, Nobles Point, Resort Village Grounds, Car Wash, Misty Meadows in mid May. Collecting, sorting, bagging and delivery to Sarcan in Prince Albert continued right to the end of the year.
- Funding was provided for the installation of Disc Golf at Fisher Creek.
- Benches were purchased for beaches and trails.
- Volunteer work continued all summer and fall at Aschim Homestead Heritage Forest with the maintenance and upgrading of trails and boardwalks.
- Additional signage was purchased for the Aschim Homestead and Forest.
- We contributed a display for the Mystical Forest Trail sponsored by Parks and Recreation.
- In late August we hosted a supper for the many volunteers who assist CiB with its projects and work.
- Our 7th annual Labour Day collection of bottles and cans was held in the Village with very positive results.
- We decorated a site at Sandy Bay for their annual Christmas Light Tour.
- We are assisting in the sponsorship of the Candle Lake Fun Run to be held this fall.
- We have purchased two exercise stations to be installed along the Waskateena Walking Trail in the upcoming season.

In late fall we were notified by Saskatchewan Parks and Recreation that we received their provincial Environmental Action Award for the development of a comprehensive Recycling Program at Candle Lake. Thank you to the many volunteers and the community of Candle Lake and area for the support you give this committee every year as we assist in developing a beautiful, safe and interesting place to live and holiday.
