News From The Trails Advisory Board

Fun Run Provides Grant for Trails

Brent Loehndorf presenting the cheque to Dave Werrett

On August 25, 2023, Brent Loehndorf, Chair of the Candle Lake Fun Run, presented a cheque for \$16,000.00 to Dave Werrett, Chairperson of the Candle Lake Trails Advisory Board. This grant will be used to develop a “Fun Run Trail” that will provide a safe pedestrian and cyclist connection route from the Bayview commercial area to the Hall and recreation facilities, as well as to the Bay Lake Trails.

We are very fortunate to have been awarded this grant and appreciate all the great work the Fun Run is doing to enhance our community by bringing people together and promoting positive mental health.

The Resort Village of Candle Lake has begun work on Fun Run Trail. Please be cautious around equipment and workers when travelling in or around the area.

Sharing our Candle Lake Activity Trails – Human Powered Activity

All Candle Lake Activity Trails are intended for “human-powered” activities such as walking, running, cycling and skating (where practical).

If you are cycling or skating on the trails, please adjust your speed when approaching pedestrians and warn of your presence with a quick bell ring or call-out that you are passing on the left. If you are walking on the trails and a cyclist or skater approaches, please respect their use of the trail by moving to the side and allowing safe space for everyone.

In the winter some of our trails are groomed for cross-country skiing or designated as snowshoe friendly. Some activities are not compatible on one trail as they may break down groomed tracks. The Activity Trails Map and Winter Ski Maps, available at local businesses or online on the RVCL Website, provide advice on suitable and recommended activities for each trail.

New Physician Services at Candle Lake Primary Health Care Centre

The Resort Village of Candle Lake, together with the Candle Lake Health Services Committee, is pleased to announce Dr. Jordan Wingate will take on the role of physician at the Candle Lake Primary Health Care Centre starting October 3, 2023.

Dr. Wingate will provide family physician services one day a week (on Tuesdays) with Rhonda Fairburn providing support.

Dr. Wingate is a rural family physician originally from Regina, Saskatchewan. After receiving his medical degree from the University of Saskatchewan

in 1996, he completed his residency in Family Medicine through the University of Saskatchewan's rural residency training program. Dr. Wingate has been practicing medicine, emergency, obstetrics, and hospital care in Melfort since 1998. He has also served in various leadership roles within the health care system and is a clinical

professor for the University of Saskatchewan and site coordinator for the Department of Family Medicine. He was also recently appointed the Deputy Chief Medical Officer for the province and will be sharing his time with this administrative work and his clinical practice at Candle Lake.

The Centre is now accepting appointment requests for Dr. Wingate. Welcome Dr. Wingate!

With the departure of Holly Young, we continue our search for a full time Nurse Practitioner. Until this position is filled, we will continue using the services of casual status Nurse Practitioners (Claudia Pearson and others) as they are available.

We look forward to our collaborative practice environment changing, growing, and thriving to meet the health care needs of the Candle Lake and area population.

Thank you to Holly for her support and commitment to the Centre over the years, and for her efforts in meeting the demands of her new role and clinical services to the community through the summer months. We wish her the best in all her future endeavours!

News From **Communities In Bloom**

With the arrival of October and autumn the summer work for the folks involved with Communities in Bloom is drawing to a close.

Once again, the flowers in the baskets provided by Lena from The Star City Colony and watered and cared for by the Village workers were very beautiful. Always sad to see them come down because we know summer is over. Seasonal, permanent residents as well as visitors tell us how much they enjoy the baskets and floral displays in and around the Village.

We hosted our annual Appreciation Event for volunteers and supporters of Communities in Bloom in early September. It was a great supper and evening, hosted by the men (and a few helpers). Thanks to everyone who supported CiB with their volunteerism. Your commitment enables our group to function so effectively.

Our crew of volunteers who collect bottles and cans, sort and deliver to PA has had five very busy months to date. We have had a phenomenal response to our collection of bottles and cans at the Landfill, the three provincial beaches, Mariner's Cove, Misty Meadows, Candle Lake Golf Resort, Candle Lake Market, Tempo, Misty Meadows, The Wick and the Village grounds. Thank you everyone! The containers for recycling filament fishing line have been well used and they were emptied this fall.

Thanks to the folks at the Candle Lake Golf Resort who invited us to sell 50/50 tickets at the golf evenings and tournaments again this summer season. Congratulations to the supporters and winners. Projects for 2024 can now be discussed and researched.

Thanks to everyone who made our contribution to The Candle Lake Fun Run successful!

Funds Used for Old Horse Trail

CiB has funded, created, and installed signage, trail information sites and placed artifacts, donated by many Candle Lake residents, on Old Horse Trail. Thanks to our donors, we have pieces of harness, hay rake wheels, weathervanes, and a real "hitching rail" at or near the trailhead. The entrance sign was painted by Helen Croissant. Check it out!

Aschim in the Fall, 2023

The Aschim August Wordle was very well enjoyed by many as our entries and comments showed. Sixty-one entries came in and five winners were drawn for prizes of \$40 each.

The trails, boardwalks, house, and yard were in wonderful condition this summer. Things looked so good that we even hosted a wedding this summer with the house veranda and yard as a fitting backdrop. This was a first for Aschim.

The bugs are down, and the colours are up. Walk the trails and Enjoy the Peace and Beauty of Aschim.

Nobles Point Little Library Site

After a summer of fine tuning, the Nobles Point Little Library Site is complete. The site includes:

- Memorial Bench for 3 past members and founders of the Co-op.
- The largest "take a book/leave a book " library in Candle Lake.
- A recycling center for cans and bottles operated by CiB.
- Signage to find the Center at Hayes Drive and Cole Ave.

The Nobles Point Co-op would like to welcome the public to come and check it out.

Card Making and Scrapbooking Club Workshop

Interested in Cardmaking and Scrapbooking? The Cardmaking and Scrapbooking Club is looking for newcomers to join us! The Club meets Monday afternoons from 1:00 – 4:00 p.m. Beginners are welcome! The Club has ample supplies and members who are willing to guide you.

Card Making and Scrapbooking Club Workshop October 13, 14, 15, & 16 at 4:00pm. Everyone is welcome!

Card of Thanks

Clyde Mitchell and Family would like to thank each and every one of Steven Leslie Mitchell's family and friends for the prayers, stories, pictures, cards, flowers and food brought to both Clyde Mitchell's home and Steve's shop for the evening get-together to celebrate Steve. We will be forever touched by the outpouring of love shown to us at this most difficult time in our lives. Thank you from the bottom of our hearts.

Thank you

News from the Resort Village

Emergency Services

The Department of Emergency Services is working to improve fire safety within the businesses located in the Village. The Resort Village will be moving forward with fire inspections of all businesses to ensure they are in compliance with Provincial legislation set out in the Fire Safety Act of Saskatchewan.

Following the Fire Safety Act and the National Fire Code enhances the safety of the Fire Fighters and Emergency Medical personnel who may respond to your business in the event of an emergency.

Let's work together to be a Fire Safe Community!
