WHAT WE HEARD – PLANNING FOR CANDLE LAKE HEALTH AND WELLNESS INITIATIVES

Insights gathered from our March 2025 community consultations, along with last year's community survey, have been compiled into the foundation for our future health and wellness initiatives.

You can read the full report on the RVCL website: [Planning for Candle Lake Health and Wellness Initiatives – What We Heard Report](#).

Our conversations centered around three key areas:

- Community Transportation Support
- In-Home Support Services
- Health System Navigation

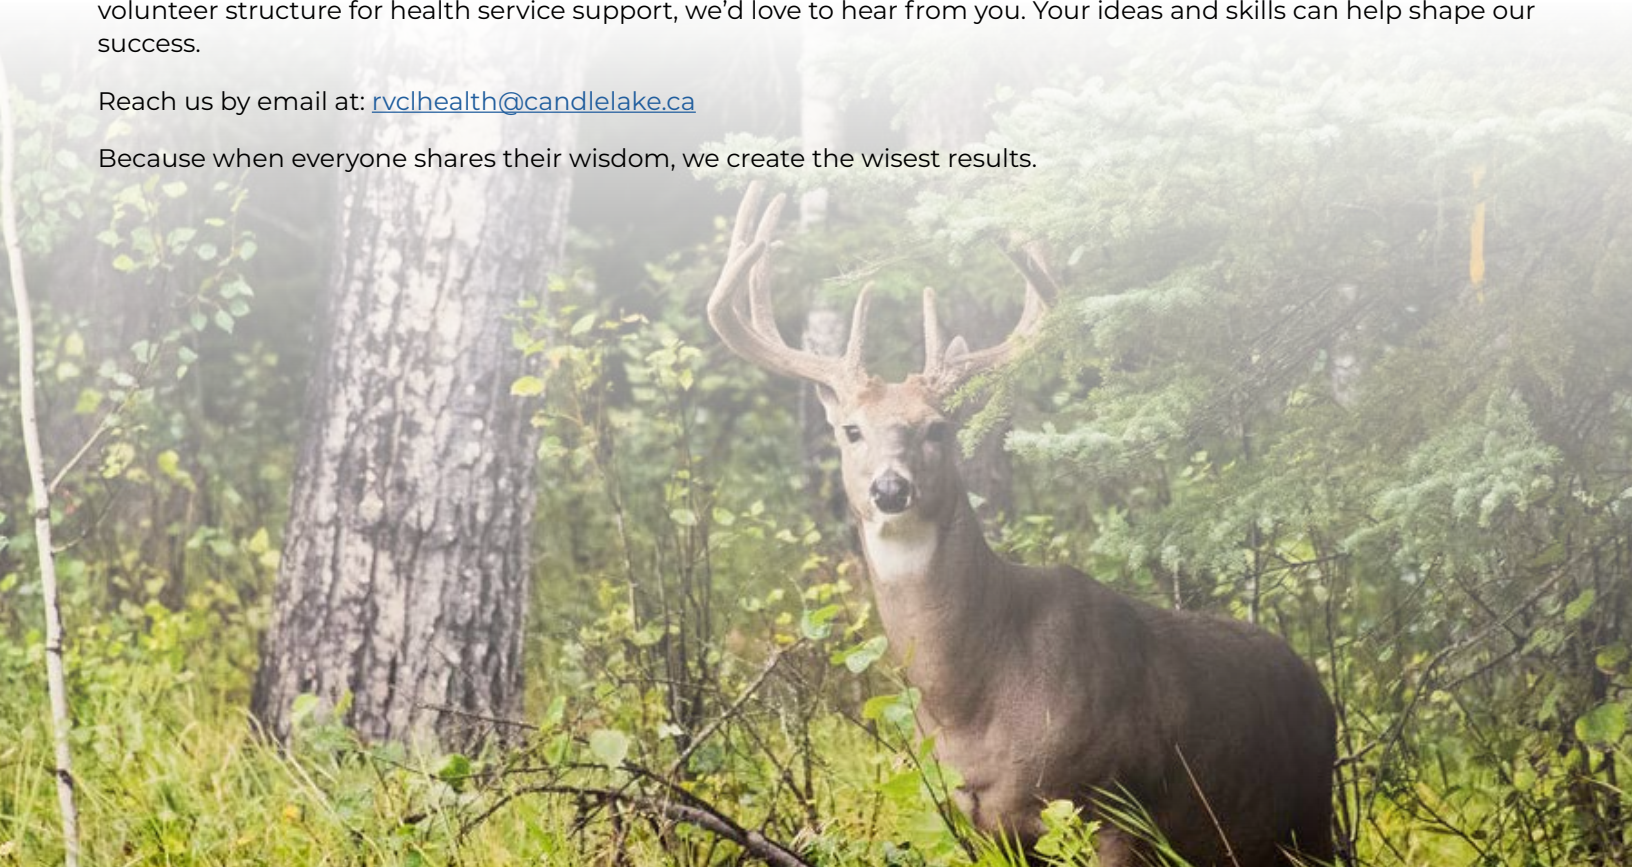

These discussions gave us a clearer picture of our community's strengths and the challenges we may encounter as we explore solutions in each of these areas. We've also identified opportunities for potential pilot projects to test new ideas.

With the support of the RVCL Council and Administration, we'll be using the summer months to build the necessary structure to launch our first initiatives.

Join our volunteer team! If you have experience developing project plans or want to contribute to creating a volunteer structure for health service support, we'd love to hear from you. Your ideas and skills can help shape our success.

Reach us by email at: rvclhealth@candlelake.ca

Because when everyone shares their wisdom, we create the wisest results.
