2025 Adult Volunteer of the Year: Robert Schultz

The Candle Lake Sport, Culture and Recreation Board is pleased to confirm that the 2025 Adult Volunteer of the Year Award winner is Robert Schultz.

Since moving to Candle Lake in 2019, Robert has been involved in the following Candle Lake groups or organizations:

- Trails Advisory Board (until 2025)
- Candle Lake Curling Club (completing service as a Board member and a term as Vice President)
- Citizens on Patrol Program (President)
- Volunteer Fire Department
- FireSmart advocate for the Van Impe Subdivision (as well as for the community of Candle Lake)
- Highway 55 North Search and Rescue Chapter
- Candle Lake Pickleball Club (founding member and now certified as a Pickleball Instructor)
- Candle Lake Sportmen's Club
- Community Garden (volunteer)

FEEDBACK

We'd love to hear what you think of The WAVE. If you have any comments or questions, please contact us at info@candlelake.ca

Fraser Markham with Robert Schultz

In conjunction with Robert's community service, he has also become involved with a number of related provincial and national organizations.

Robert has contributed in many ways to a wide variety of community groups and we are grateful for his efforts enhancing the quality of life for the residents of Candle Lake.

Canada Day 2026 Thank You's

We welcomed over 30 participants to this year's Canada Day Parade including the RCMP (Smeaton Detachment), Candle Lake Volunteer Fire Department, Resort Village of Candle Lake, and the Candle Lake First Responders.

Thank you to everyone for the time and effort to decorate a Parade Entry: float and/or vehicle. We hope to see you in the parade again in 2027!

A special thank you also goes out to:

- Candle Lake Citizens on Patrol (COPPS)
- Community Safety Officers
- Saskatchewan Parks for their continued support and partnership.
- Every parade float participant – your creativity and community spirit made this year's parade one to remember!
- Our amazing cupcake makers
- Our BBQ lunch volunteers for serving lunch and keeping everything running smoothly.
- Monica Steinke for her beautiful rendition of O Canada.
- Our Children's Activity volunteers – your energy, patience, and enthusiasm made the day extra special for so many families.
- Prince Albert Youth Travel Club for providing face painting
- Tisdale Day Camp for bringing the climbing wall
- Madelyn Ouellett for the fantastic balloon twisting
- King of the Castles for providing the bouncy castles and yard games

Community events like this are only possible because of the incredible volunteers, organizations, businesses, and residents who come together to make them happen.

Your generosity, dedication, and community spirit are what make Candle Lake such a wonderful place to call home.

Thank you all for making Canada Day 2026 a celebration to remember. We wish everyone a safe, happy, and wonderful summer!

VOLUNTEERS SUPPORTING AGING IN PLACE

NEIGHBOURS HELPING NEIGHBOURS THRIVE

Candle Lake has long believed that rural communities have the creativity, commitment, and compassion to develop local solutions for local needs. The [Candle Lake Alive and Well](#) initiative was founded on the belief that communities can actively participate in improving health and wellness by identifying needs, mobilizing local resources, building partnerships, and creating innovative volunteer programs. We are bringing that vision to life.

Most of us hope to remain in our own homes and communities for as long as possible. Yet for many older adults—and others experiencing illness, injury, disability, or changing life circumstances—it is often the little things that become the biggest obstacles.

The Candle Lake Health Services Committee is launching our program called Volunteers Supporting Aging in Place. The program is built on a simple idea: neighbours helping neighbours.

The program will connect prepared community volunteers with residents who need a little extra support to continue living safely and confidently at home. Services may include friendly visiting, transportation assistance, help with small household tasks, seasonal yard work, technology

support, wellness check-ins, or helping someone get connected with community activities and services.

While older adults are the primary focus, the program will also be available to other community members who may need temporary or ongoing assistance.

This initiative comes at an important time. The Saskatchewan Government recently announced new investments to strengthen supports that help people remain healthy and independent in their homes and communities. You can read more about these investments in their brochure entitled [Enhancing Continuing Care Strategy Goal](#), which has been added to our website.

Across Canada, there is growing recognition that health is about much more than medical care. Community connections, volunteer support, social engagement, and practical day-to-day assistance all contribute to healthier lives and reduce loneliness, caregiver stress, and unnecessary demands on the health care system. These are the very services identified nationally as community-based supports that enable healthy aging and aging in the right place.

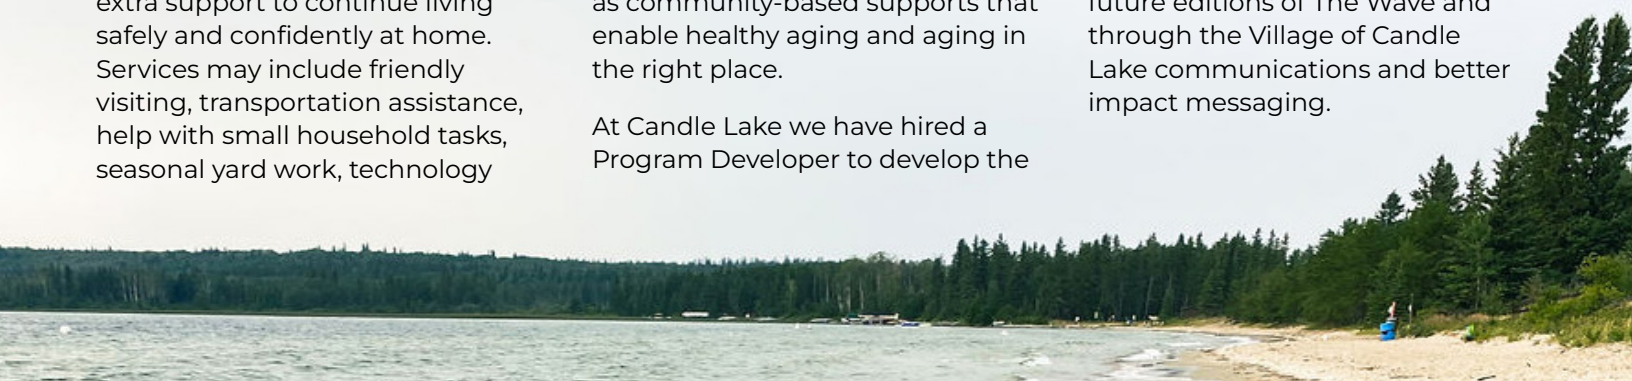

At Candle Lake we have hired a Program Developer to develop the

structure required; she is funded by the federal and provincial grants received. Over the coming months, we will be inviting residents to help shape the program and we will be seeking volunteers who want to make a meaningful difference in the lives of their neighbours. Whether you can offer an hour a week, a special skill, or simply a friendly visit, there will be opportunities to become involved. The program will support the ongoing work of our Community Connector, Amy Wingate, and will be coordinated by a hired Coordinator that will help put the program into action.

Strong communities are built by one neighbour at a time. Together, we can help ensure that Candle Lake remains a place where people of all ages can continue to live safely, independently, and with dignity—supported not only by services, but by the caring spirit of the community itself.

Interested in volunteering or learning more?

Watch for upcoming information sessions and volunteer recruitment announcements in future editions of The Wave and through the Village of Candle Lake communications and better impact messaging.

AFTER SCHOOL PROGRAMS

We hope all our students are having a wonderful summer and we look forward to seeing you on September 9th for our first After School Program of the new school year. Please contact the Candle Lake Library if you have a child newly attending school in the fall and we would love to have them join our program!

UPCOMING EVENTS AND PROGRAMS

Thank you to all those who donated items for our Annual Book Sale in July! The sale was a huge success with sales of \$1442.50. Also, a HUGE thank you to all those that bought raffle tickets for the Love of Reading Basket fundraiser, which had sales of \$1252.00! Our amazing patron Joan Daniel so generously donated the baskets and her time to sell tickets. We have the most amazing patrons and community and thank you all for your support.

The Candle Lake Library Summer Hours began July 2nd and run through to August 29th. The hours will be: Wednesday 12:00 pm - 6:00 pm, Thursday 10:00 am - 3:00 pm, Friday 10:00am - 3:00 pm and Saturday 10:00 am - 2:00 pm. The library will be closed Sunday, Monday, Tuesday and all Statutory Holidays.

Registrations are still being accepted for the August FREE Summer Children's Programs. Please contact Patty at the Library to register now as many programs are full! Thank you to Community Initiatives Fund for their generous grant to make these programs available!

Follow us on Facebook and feel free to contact the Library at (306) 960-9775 or canlake@wapitilibrary.ca if you have any questions.

TORNADO SAFETY AT CANDLE LAKE

Candle Lake is a beautiful place to enjoy in every season of the year. During the summer months in Saskatchewan, however, one of our most significant weather hazards is tornadoes. Being prepared and knowing what to do can help keep you and your loved ones safe.

DURING A TORNADO

The safest place to be during a tornado is in a well-supported basement or cellar. No matter where you are, get as close to the ground as possible, protect your head and neck, and be alert for flying debris. Most tornado-related injuries and deaths occur when buildings collapse or from debris, especially broken glass.

Never chase a tornado. Tornadoes are unpredictable and can change direction suddenly. They may even appear to be standing still when they are actually moving toward you.

IF YOU ARE INDOORS

- Go to the lowest and most central room, preferably a basement or cellar.
- Take shelter under a sturdy table, desk, or other solid piece of furniture.

- Protect your head and neck with your arms.
- Do not open windows.
- Do not use elevators.

IF YOU ARE OUTDOORS

- Go inside a sturdy building immediately.
- If no shelter is available, lie flat in a ditch or low-lying area and cover your head with your hands.
- Never take shelter under an overpass or bridge.

IF YOU ARE IN A MOBILE HOME

- Leave immediately and go to the nearest sturdy building or designated shelter. Mobile homes do not provide adequate protection during a tornado.

IF YOU ARE DRIVING

- Do not try to outrun a tornado. Tornadoes can move quickly and change direction with little warning.
- Drive to the nearest sturdy building and take shelter if it is safe to do so.
- If no solid shelter is available:
- Pull safely off the road.
- Park your vehicle, set the parking brake, and turn on your hazard lights.
- If it is safe to leave your vehicle, seek

shelter in a low-lying area such as a ditch, away from your vehicle.

- Lie flat and protect your head and neck from flying debris.
- Watch for rising water and be prepared to move if necessary.
- Be aware that you may still be exposed to strong winds, even in a ditch.
- Do not leave your vehicle if downed power lines are within 10 metres or have fallen onto your vehicle unless directed by first responders.
- Avoid parking near tall objects or power lines whenever possible.
- Never park or take shelter beneath an overpass, as wind speeds can increase and dangerous debris can accumulate there.

WHEN A TORNADO WATCH OR WARNING IS ISSUED

If a tornado watch or warning is issued for your area, seek shelter immediately and follow these safety guidelines. Acting quickly can make all the difference.

Let's all do our part to stay safe, be proactive, and be prepared.

Have a safe, enjoyable, and wonderful summer at beautiful Candle Lake!

News from the **Resort Village**

Exciting Times for Candle Lake Timber Gate Plaza Construction Begins!

Construction of the new Timber Gate Plaza along Highway 265 is scheduled to begin this week. This four-acre commercial development will help meet the growing needs of Candle Lake by bringing additional products and services closer to residents, seasonal property owners, and visitors.

The project supports the Resort Village's strategic priorities by encouraging planned commercial growth, expanding local services, creating economic opportunities, and strengthening the municipal tax base.

Initial construction will include clearing the site and building a service road along the highway. While the service road is being constructed, a section of the Fun Run Trail will be temporarily closed, and pedestrians will be detoured through the ditch along Highway 265. Please use caution and follow all posted detour signs. The developer intends to restore the trail once the service-road work is complete.

We look forward to watching Timber Gate Plaza take shape and welcoming the new opportunities it will bring to Candle Lake.

Fire Prevention Reminders

Everyone enjoys a campfire while spending time at the lake. To help keep Candle Lake safe and enjoyable for all, we remind residents and visitors of the requirements under the Resort Village's Fire Prevention Bylaw.

Only seasoned firewood may be burned. Burning leaves, green branches, construction materials, or demolition waste is not permitted within the Resort Village.

Campfires must:

- Be contained in an approved fire pit.
- Have an approved grate to prevent embers from escaping.
- Be attended at all times by a responsible adult.
- Be fully extinguished before being left unattended.

Emergency Services has recently responded to several calls concerning improper burning. Please be considerate of your neighbours and help protect our community and surrounding forest by burning safely and responsibly.

July 2026 Council Meeting Highlights

FUN RUN TRAIL

Council received correspondence from the Trails Advisory Committee questioning the future of the Fun Run Trail as a result of the commercial development along Highway 265. Council directed Administration to respond on their behalf assuring members that once the developers site work is complete, they are responsible to reconstruct the trail along the front of the site. A conceptual drawing including the location of the future trail will be provided to the committee with further assurance that they will be consulted regarding its alignment, landscaping, furnishing and any other enhancements.

RECORDING AND STREAMING COUNCIL MEETINGS

Council approved amendments to the Communication Policy and Council Procedure Bylaw to allow for recording and streaming of public meetings of Council with the intention to commence in August. A link to the live meetings will be added to the website and recordings of past meetings will be available for viewing along with the agendas and minutes which are already posted on the website.

NORTH CENTRAL PLANNING DISTRICT OFFICIAL COMMUNITY PLAN

Council gave final reading to a bylaw to adopt the new NCPD Official Community Plan. The new DOCP and Zoning Bylaw won't come into effect until they have been approved by the provincial ministry.

NEW COMMUNITY SAFETY OFFICER

Cole Berge has received his appointment from the Minister as Special Constable for the Resort Village of Candle Lake. Cole was also appointed by Council as a Bylaw Enforcement Officer for the RVCL at the June Council meeting. RVCL is still looking to fill a Casual/ Parttime CSO position that is currently vacant.

PUBLIC IMPROVEMENTS

Council received conceptual plans from Administration for the new highway visitor information sign and renovations to the RVCL Administration Office reception area. Both projects were approved in the 2026 Capital Budget.

INTERMUNICIPAL WASTEWATER SERVICE AGREEMENT

Council acknowledged receipt of a fully executed Wastewater Service Agreement between the RVCL and the RM of Paddockwood for the Aspen Ridge and Cranberry Creek Neighborhoods. The RM will charge property owners in these subdivisions and remit to the Village an annual fee equal to what RVCL property owners pay for wastewater services. This will support the long-term sustainability of the RVCL lagoons.

INTERMUNICIPAL FIRE PROTECTION SERVICE AGREEMENT

Council approved an agreement to provide fire protection services to the District for the Resort Subdivision of Whelan Bay. RVCL will receive a yearly retainer fee plus invoice for responding to any calls.

PROPERTY TAXES

Council abated taxes assessed on a single property resulting from a computer error and authorized tax collection proceedings for four properties with taxes owing for 2024 and 2025. It is the Village's current practice to commence proceedings to request title for properties with arrears to maintain fair and equitable treatment of all property owners. As a result, the arrears are most often paid prior to expiration of the notification period.

LABOUR RELATIONS

With the Collective Bargaining Agreement between the RVCL and the local CUPE set to expire on December 31, 2026, Council approved a motion to extend the contract for labour relations services with Gault Resources to assist with negotiations for a renewal of the Agreement and provide ongoing labour relations services during the renewal period.

Detailed minutes will be posted on the RVCL website once they are approved at the next meet of Council. Agendas and reports can be found at this link: [RVCL Agendas and Minutes](#)
