

News from the Parks & Recreation Board

2022 Candle Lake Hoops Basketball Camp a Huge Success!

Sponsored by the Parks and Recreation Board, Hoops Camp for youth aged 11-15 was held July 12th & 13th. A special thank-you to Keely Vickaryous for organizing this wonderful camp year after year; and thank you to the coaches, organizers, and participants for attending.

Interested in playing basketball this summer? The RVCL exterior sport court is reserved Monday evenings from 7:00-8:30 all summer to anyone interested in playing basketball. Come out and enjoy the facilities, take part in physical activity, and enjoy the fun of basketball. Please contact Andrea Crowdis at (306) 929-2236 or parksrec@candlelake.ca for more information.

FEED BACK

We'd love to hear what you think of The WAVE. If you have any comments or questions, please contact us at info@candlelake.ca

Gnomes, Animals, Fairies & Mystical Creations:

A Mystical Forest For All Ages Runs until September 5th

- 1.5 km Walking Trail
- Entrance is behind the Ball Diamond and Tennis Court Area
- Remember to pack your mosquito spray!
- Walking only permitted on the trail – No bikes or ATV's allowed.
- Add your own creation to this Mystical Adventure!

Bingo News

The latest Parks and Recreation Board Bingo was held on July 27 with approximately 160 people in attendance. Neither the Loonie Pot (\$300.00) or the Jackpot (\$401.50) prizes were awarded. These values will be carried forward to the next Bingo on Wednesday August 10.

Upcoming Bingo Dates (7:30 to 10:30pm):

- August 10 • August 24
- September 16 • October 21
- November 18 • December 16

Thank you everyone for your continued support of this activity!

Approximately 160 people attended the July 27th Bingo!

CANDLE LAKE 20 YR MASTER PLAN PARKS, OPEN SPACES, AND TRAILS

The Candle Lake Parks, Trails and Open Space Master Plan project is entering its final phase. The survey of recreation needs and perceptions (available at www.surveymonkey.com/r/CandleLake) will close on August 12th.

Preliminary survey results are suggesting:

- The top five recreational assets respondents have the greatest interest in are:
 - More trails for walking and cycling
 - Indoor fitness equipment
 - Trails for off road vehicles
 - More playgrounds
 - More picnic and informal gathering spaces

- Respondents have expressed greatest interest in using trails for:
 - Exercise and/or sight-seeing (76%)
 - Alternative transportation – using vehicle less (64%)
 - All-terrain vehicle/snowmobile use (52%)
- Respondents feel the balance between lake use and protection at Candle Lake gets a score of 3.2 stars (out of 5)
- 48% of respondents expressed concern that future generations may not be able to enjoy fishing if current trends continue
- 64% of respondents believe people at Candle Lake, while aware they must remove all items brought to parks, open spaces, the waterfront or onto the water, they are not good at 'pack-in-pack-out' and do not do it consistently

To learn more about progress on the Master Plan, see the project webpage on the Resort Village of Candle Lake website.

Resort Village of Candle Lake Sustainability Plan:

Strategic Directions for Increased Sustainability

Council is working to achieve a new vision for Candle Lake – to create a community that is thriving, resilient and sustainable.

To achieve this vision, a Sustainability Plan is being developed on the basis of four Pillars:

- **Governance:** We want to ensure future processes for making decisions are transparent and citizens know how they can get involved. Council decisions should be guided by policies.
- **Economy:** Services and businesses contribute to a high quality of life. We will explore economic opportunities that can be embraced without compromising future affordability or the environment.
- **Society:** Culture, health and wellness, and recreation opportunities are plentiful in our community. We will build on them, and at the same time be sure local traditions, customs, values and heritage that make Candle Lake unique are respected.
- **Environment:** Nature is recognized as the feature that attracts people to the area. Stewardship needs to be strong to ensure nature thrives for the benefit of all, and for future generations.

Hearing the perspectives and opinions of residents and visitors to Candle Lake is important for establishing the strategic directions to achieve this new vision.

All are welcome to attend a come-and-go Open House.

Saturday, August 13th - 10:30 a.m. to 1:30 p.m.

(Presentation at 11:00 a.m. and repeated at 12:30 p.m.)

Alan Wallace, Planning Director with Wallace Insights, will provide a brief overview covering:

- What is a Sustainability Plan?
- What is the purpose of an Official Community Plan?
- How do these Plans fit with other initiatives (e.g. Parks/Trails Master Plan)?
- Key Topics

Attendees will have an opportunity to explore informational displays, complete related online surveys (using a smart phone) and ask questions.

READY, SET, GO!!!

We are excited to announce the first annual Candle Lake Fun Run will be held at the Candle Lake Golf Resort on September 17/2022.

All proceeds from the Run will be donated to mental health initiatives within Saskatchewan as well as for community enhancement within Candle Lake.

Awesome swag packages. Limited entrants! Please register at www.runningroom.com

Following the Run, we invite the community to come out and enjoy our Kidzone, live entertainment, beverage garden, food trucks as well as food and ice cream from the golf course.

Please follow us on Facebook (Candle Lake Fun Run 2022) for updates.

Sponsorship and volunteer opportunities are available. Please contact Brent or Joely at candlelakefunrun@gmail.com.

We are excited to announce the first annual Candle Lake Fun Run 2022 is officially SOLD OUT!!!

Not running? No worries! Everyone is welcome to join us for post-run festivities at the Canadian Tire Kidzone, live entertainment with Einstein's of 9, RockRidge beverage garden, food trucks, and food and ice cream from the Candle Lake golf course. We are still looking for sponsors and items for our silent auction. Please contact Brent or Joely at candlelakefunrun@gmail.com.

Candle Lake Sailing Club 2022

Our goal is to promote and support a passion for sailing by hosting sailing lessons and offering our members access to our fleet of boats! We hope to offer more events as covid restrictions lift so stay tuned to our Facebook page.

Membership

Membership is only \$30 per person or \$100 per family. This offers members access to three flying juniors and two lasers at Sandy Bay. Also, there is a discount for members who want to attend the mobile sailing school lessons: \$100 for members; \$120 for non-members.

Sailing Days

This year's sailing days will hopefully start the first Saturday in June and happen every second Saturday after that until mid September. Also we added a Sunday to every Second Saturday in case of bad of weather. We typically set sail around 1:00 pm. Keep in mind any day there is enough wind is a good day to sail and you will see our members out sailing at other times.

Around the Island Challenge

Due to covid we did not hold a race last year but we look forward to when we can sail around the island together in the future.

Sailing Lessons

Last summer we offered lessons for children, youth and adults and had some pretty happy sailors! Lessons this summer are available. Sign up at: www.sasksail.com

You don't have to own a sailboat to join the club. For more information contact:

Twyla 361-2124 or April 940-7949 or candlelakesail@gmail.com. See you on the water!

Candle Lake Public Library: August Events

Storybook Trail (Mystical Forest Pathway)

During August, a new story book will be placed along the Storybook Trail in the Mystical Forest for the month of August. The book is entitled I'm a Gnome. After reading the book, stop by the library to pick up a take home craft bag!

Tuesday, August 9th and Tuesday, August 23rd at 11:00am:

Emily, the Wapiti Library's Summer Programming Assistant will be visiting with some STEAM activities for the kids. This event is ideal for children ages 5 to 12. Pre-registration is recommended as space is limited. Please call Heather during library hours at (306)960-9775 to register for this free program.

Thursday, August 18th at 10:30am:

Chantelle from PA Regional KidsFirst will be visiting with an early learning program for children ages 0 to 6 years. Join us for activities such as singing, dancing, yoga, and crafts!

Did you know?

Library cards are free for residents of the province of Saskatchewan. Also, if you are visiting Candle Lake, and you have a card from your local Saskatchewan library, you can use your card to take out books here! Drop by for some summer reading adventures!

Library Hours

- Tuesday: 11:00am to 5:00pm
- Wednesday: 4:00pm to 7:00pm
- Thursday: 9:00am to 12:00pm
- Saturday: 9:00am to 12:00pm

Library Grand Opening

On July 9, 2022, the Library was officially opened!

The event was attended by MLA Nadine Wilson, and Mayor Terry Kostyna. Thank you to Valerie Manton and Rosemary Brandrick. It is only through the effort and hard work of these two ladies that we finally have a library in Candle Lake!

In May, a stump decorating event was held. The children made a little village in the Mystical Forest, complete with its own library!

Tony Murphy, Wapiti Library Director and CEO, Valerie Manton and Rosemary Brandrick at the Grand Opening event.

August 2022 Report from Communities in Bloom (CiB)

Aschim Rocks

This is not an article about the crystalline chunks of granite found in so many places in northern Saskatchewan. This is about how the Aschim Homestead rocks in so many ways in our community!

- Aschim rocks in the variety, scope and condition of the boardwalks that circle through the swamp and three times over West Creek on the way to the original 1937 log house. The house and grounds along with associated outbuildings are in a beautiful natural setting.
- Aschim rocks for the completeness of information and directional signage along the well mowed trails linking the boardwalks.
- Aschim rocks for the marsh marigolds and the late flowering Saskatchewan lilies at this time of year, the red Maltese cross, mega clover bloom, delphiniums and the tallest ferns ever.
- Aschim rocks for the antiques in the house and outdoor mini museum along with a labelled machinery row in the yard.
- Aschim rocks for bringing together the best volunteers to build, maintain, plant and create a what is an educational and comforting place to be in at any time of year.
- Aschim rocks because so many people from Candle Lake, Saskatchewan, Canada and from the world say so in their comments in the Guest Book in the house.

Aschim Rocks!!

Submitted by the Aschim Wanderer

Family Day at Aschim

- Saturday, August 13 - 1:00pm to 4:00pm

Bring your family and friends for an afternoon of walks, hikes, exploring, games, treats and door prizes. Everyone is Welcome!

Bottle and Can Collection

Our annual Labour Day collection of bottles and cans will take place at the Resort Village grounds (Recycling Area) on the following dates:

- Sunday September 4th - 1:00 to 3:00pm
- Monday September 5th - 10:00am to 12:00pm.

Please save and drop off your summer collection of cans and bottles at this site. Money raised will be used for special projects such as playgrounds, Community Gardens, environmental awareness, recycling, tidiness, floral displays and other initiatives in the Candle Lake area. Communities in Bloom Volunteers will be there to assist.

Slow Pitch for July & August

Monday nights, starting July 4 at 7pm - for players ages 15 and up

Friday nights, starting July 8 at 7pm - for players ages 5 to 95

Bring your own glove. For more info call 306-960-0693

News from the **Resort Village**

The Resort Village Public Works Department was busy throughout July as we worked to catch up on projects delayed due to heavy rainfall in June. This included roadway grading, gravelling and applying dust control. Summer staff have been challenged to keep up with wet conditions and fast-growing vegetation resulting from the abundant rain.

Throughout August we will be moving ahead with a number of major projects:

- The Flood Mitigation/Berm project along Highway 265, funded through the Investing in Canada Infrastructure Program (ICIP), is designed to reduce the risk of flooding in the neighbouring subdivision during spring run off and heavy rains by diverting water and enlarging the retention pond to increase storage capacity. This project began last winter and was scheduled to be completed in June once the area had dried up from the spring run off. Unfortunately, an extraordinary rainfall event in mid June resulted in a need to reschedule the project. Work will recommence in mid August and will include shaping the ditch, grading the walking trail, fencing the retention pond and installing an automated pumping station. The project includes the added benefit of creating a walking path along the berm to extend our walking trail from Lakeview Drive to Cessna Street.
- The Village is committed to continuing to improve drainage in the community and has set aside funding for 2022 with the intent of continuing this process in future years. Several drainage improvements will occur in the Lakeview subdivisions this summer including ditching and installation of automated pumping stations.
- The walking path system along Highway 265 will be extended to connect the walking trail along Main Street to Bereskin Drive. The crosswalk to the intersection will be relocated to improve safety.
- The Main Street trail from Simon Lehne to the minigolf course will be enhanced with new base material added to the existing trail.
- Village crews will attend to minor drainage improvements elsewhere in the Village as time permits and projects which require more planning will be scheduled for future years. Village crews will continue with regular roadway maintenance throughout the summer. While some projects will be completed by Village crews, others will be contracted out.
- The Village has also established a budget for annual road repairs/reconstruction. This summer roadway repairs will be made in the Glendale/Denmore and Island View subdivisions. As our budget permits, in future years we will continue to make improvements like rebuilding existing roads. As projects are planned and scheduled, property owners in the affected areas will be advised of the work that will take place in their neighbourhood.
- Our Public Works Department will be installing several memorial benches throughout the community and an outdoor chess board on the Community Hall grounds.

As we endeavour to complete the work planned for this year, we anticipate that the next few months will be very busy for crews at the Resort Village of Candle Lake!

Emergency Services Master Plan to be Developed

The Resort Village of Candle Lake (RVCL) is inviting proposals from interested suppliers to develop an Emergency Services Master Plan that will provide a strategic framework for the delivery of fire protection and emergency services in the RVCL.

The proposal will assist in identifying priorities and opportunities in the provision of emergency services to the community; the information gathered will help guide the Fire Department and Council in making decisions that best meet the needs of the community. The successful proponent will work with the RVCL Emergency Services Team to ensure the data collection is valid and reliable.

Proposals will be accepted until 11am August 15, 2022. The RFP can be found at www.candlelake.ca under News & Updates – Latest Notices or under Resort Village Office – Public Notices.

COVID-19 Reminders

You may have heard reports of slightly increased cases of COVID across the province. The risk of contracting the COVID-19 variants is still out there, and we want everyone in our community to stay healthy!

If you have COVID-19 symptoms, please get tested and take steps to prevent spreading the virus. The province also continues to encourage vaccination, including the booster vaccine.

For the latest information from the Province, please visit www.Saskatchewan.ca and click on COVID-19 – Latest Updates, Vaccine Information.
