

# **Candle Lake Trails Advisory Board – 5 Year PLAN 2021 to 2025**

## **Short-Term Plan**

1. Establish a crosswalk from C&S Service across Hwy 265 to the Bayview Business district
2. Upgrade walking path in front of C&S to Bayview Connector (approximately 80 meters)
3. Level and resurface Simon Lehne Trail south of the boardwalk
4. Develop a trail from Simon Lehne to JD Mini Golf
5. Establish a bridge across a drainage ditch at Lakeview Drive at the end of the West Side Trail
6. Extend West Side Trail from Bereskin Drive to Main street
7. Expand Boardwalk on Northview Trail
8. Develop a nature trail from Elm Street West of Simon Lehne, North of Elm, South of Nobles

## **Long-Term Plan**

1. Extend the trail system from Clearsand to Van Impe (Big Timber ski trail loop North West – approximately 500 meters)
2. Develop a trail from the Airpark to Cessna Street
3. Develop a roadside trail from Deep Bay to the old Telwin Access
4. Extend Simon Lehne Trail north to Nobles Point Marina
5. Rehabilitate Old Horse Trail/joint use potential
6. Address wet areas on Deep Bay to Telwin Nature Trail (approximate 75 meters)
7. Widen Simon Lehne Trail from Waskateena crosswalk to Main Street along Simon Lehne
8. Extend West side trail from Lakeview drive to Pine St/Memorial Park
9. Old Baldy access potential – Sask Parks trail

## **Annual (on-going maintenance and sustainability)**

1. Maintain accessible entrances to winter ski trails
2. Groom winter ski and snowshoe trails
3. Identify low, wet, eroded, or damaged areas and recommend maintenance options
4. Create an annual seasonal task list for Trails maintenance for the RVCL Maintenance Crew
5. Identify trails that should be closed temporarily due to unsafe or impassible conditions
6. Update maps, signs, promotional material, and social media to reflect the current trail status
7. Maintain the Candle Lake Activity Trails Facebook page
8. Maintain the Walking Trails web page on the RVCL Website
9. Maintain markings/barriers to walking lanes on roadways (eg. Main St/Simon Lehne)
10. Consult with Community Engineering to look for design and trail upgrades

## **Conceptual/Possibilities/Futuristic – Trail Activities**

1. Treehouse Trail
2. Geo Cache sites
3. Activity centre or mid-trail workout station/cross fit apparatus/trail
4. Terrain park for pedal bikes/mountain bike trail
5. Zipline
6. Floating boardwalks in wet areas
7. Frisbee Golf on the trail
8. Rope Swing
